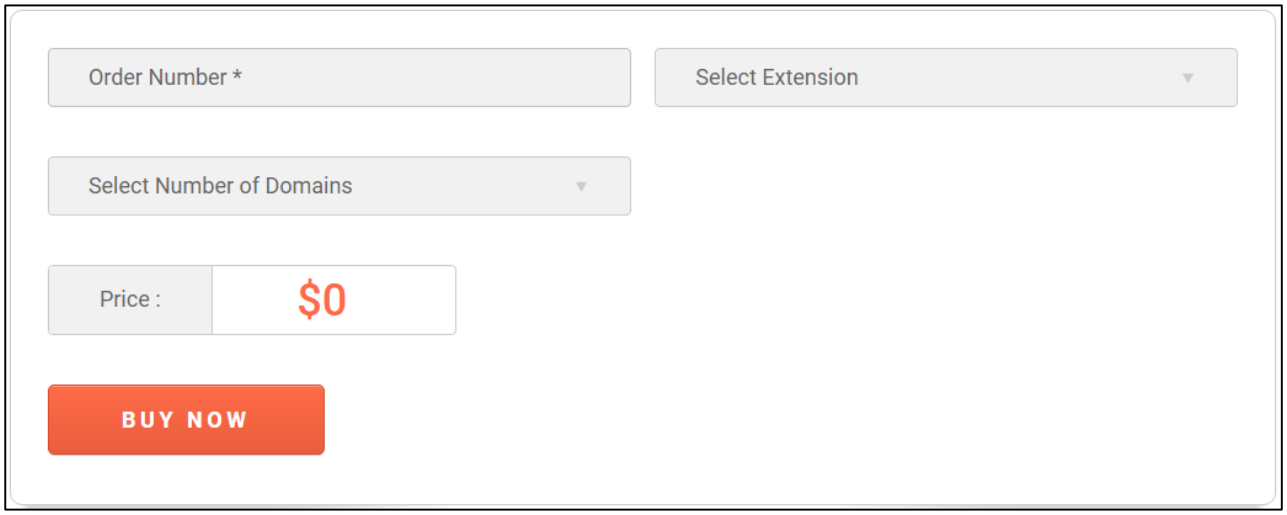
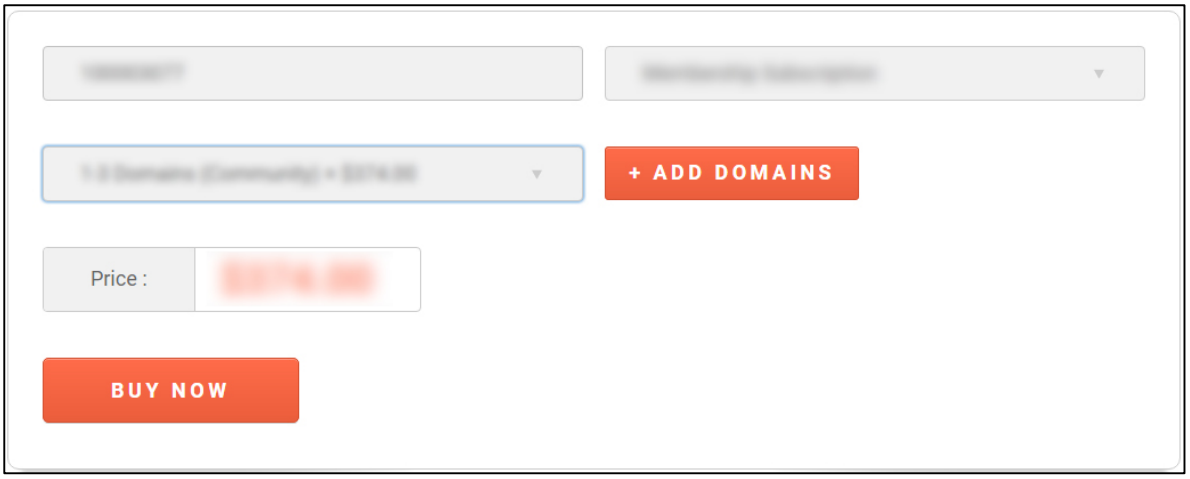
Purchase additional domain:

If you already have extension license for a single production domain and you require more than one production domain then, you can purchase our “add-on” domains from, https://www.magedelight.com/services/additional-domains.html



Please follow below steps to make a purchase of add-on domains,

1. **Order Number:** Enter your order number
2. **Select Extension:** Now, Select extension for which you require add-on domain
3. **Select Number of Domains:** Now, Select number of add-on domains you want to purchase for selected domain
4. You can add production and development domains by clicking on button “ADD DOMAINS”,



You can also add/update domains after purchase of add-on domains by raising a support ticket, http://support.magedelight.com
