## How to start

adaplo extension **works only for adaplo customers**. In order to launch ads for your store, you have to create an account with adaplo and then integrate your store.

## Steps to get you started

1. **Request a demo:** Go to [adaplo's](#) website and request for a demo. A member of our Team will get on a 30' call with you in order to understand your needs and propose how you can better start with adaplo.
2. **Sign up for adaplo:** Create your adaplo account, set your advertising budget and you are ready to go.
3. **Install the extension:** After you have your own adaplo account, you need to integrate your Magento store by installing the extension. After the successful integration, your ads will soon go live.
