
EXTRA PRODUCT TABS

User Guide
Version 1.0

How to Configure the Extension:

At the backend, go to **Addify EXTENSIONS > Extra Product Tab > Configurations**. Here you will have access to the following configurations:

General Settings:

- 1. Enable Extension:** Select Yes or No to enable or disable extension. If the extension is disabled, no changes will affect your store.
- 2. Remove Description Tab:** With this Magento 2 Extra Product Tabs extension you can also remove the existing description tab to start fresh.
- 3. Remove More Information & Review Tab:** Along with description, you can also remove more information and reviews tab

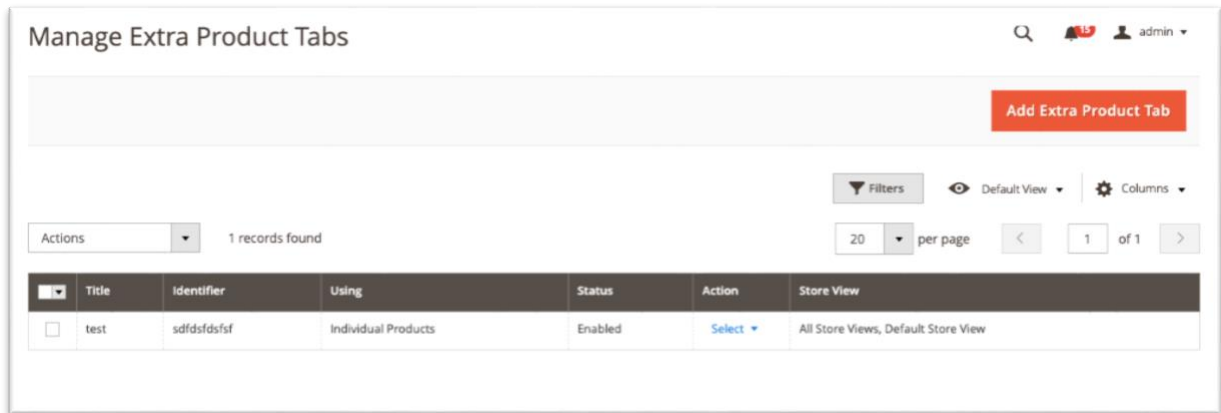

The screenshot shows the 'General Settings' configuration page for the Addify extension. It contains four settings, each with a dropdown menu:

- Enable** (store view): Set to Yes
- Remove Description Tab** (store view): Set to No
- Remove More Information Tab** (store view): Set to No
- Remove Review Tab** (store view): Set to No

Manage Extra Product Tab:

At the backend, go to **Addify EXTENSIONS > Extra Product Tab > Manage Extra Product Tabs**. Here you will have access to the manage extra product tabs grid.

Manage Extra Product Tabs

Search, Notifications, admin

Add Extra Product Tab

Filters, Default View, Columns

Actions 1 records found 20 per page 1 of 1

	Title	Identifier	Using	Status	Action	Store View
<input type="checkbox"/>	test	sdfdsfsf	Individual Products	Enabled	Select	All Store Views, Default Store View

You can perform the following Action.

1. Add New
