Product Comment In Cart

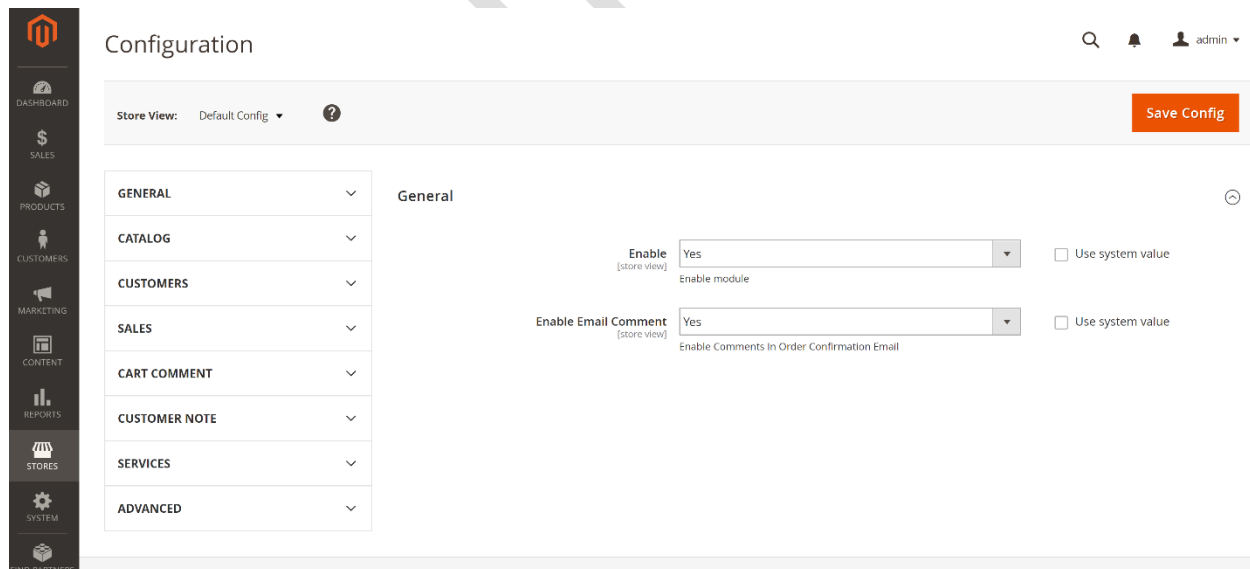

Introduction:

Product Comment In Cart will help customers to add comments for each product in the shopping cart while editing products on the cart page. It will help those merchants who want to give specific comments or instructions for each product in orders. Product Comment In Cart comes with the option to make comments for each product in shopping cart incredibly simple for your customers. When you install this extension, Product Comment In Cart will add a text area where customers are able to add comments for each product in the shopping cart.

Enabling extension and email feature:

To enable extension, go to **Admin->Store->Configuration-> Cart Comment->General->Enable “Yes”**

To enable email functionality, go to **Admin->Store->Configuration-> Cart Comment->General->Enable Email Comment “Yes”**

The screenshot displays the Magento 2 Configuration interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Products, Customers, Marketing, Content, Reports, Stores, System, and Find Partners. The main content area is titled 'Configuration' and shows the 'Store View' set to 'Default Config'. A 'Save Config' button is visible in the top right. The 'Cart Comment' section is expanded, showing the 'General' tab. Two settings are visible: 'Enable (store view) Enable module' and 'Enable Email Comment (store view) Enable Comments In Order Confirmation Email'. Both settings are currently set to 'Yes' and have a 'Use system value' checkbox to their right.

Adding comment in cart:

After adding product cart go to cart page, a text area will appear for each product in cart page enter your comment there and go for checkout.
