Cart Transfer Module

 Prepared by: Paweł Wasiluk

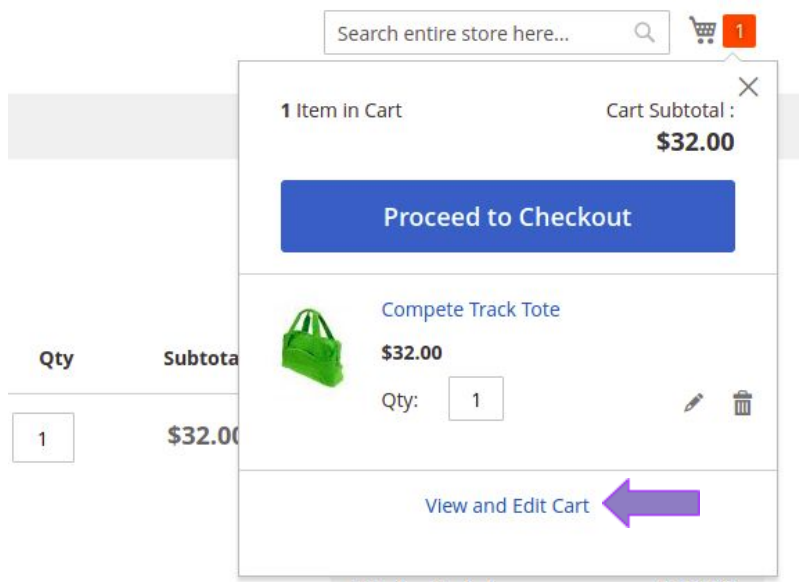

Cart Transfer for Magento2

Module overview

Let your customers recommend purchases with Cart Transfer Module. Our module adds special form in you cart page, to help them send their shopping advice to their friends emails.

How it works

After installing the module, it goes immediately active and there are not any changes to be made in **Admin Panel**.

Add any item to your shopping cart and go to **View and Edit Cart**.

In your Shopping Cart you will find collapsible element **Send Cart To Friend**.

Shopping Cart
