

# Super Video Player Configuration Guideline

Below are instructions on how to Configure the **Super Video Player** extension for magento2 on your website .

## Enable Module

**Navigate to Store >> Configuration >> BPLUGINS >> Video Player and Enable Module**

By enabling modules, all Video Players will visible on websites, and for hide all, Disable this option

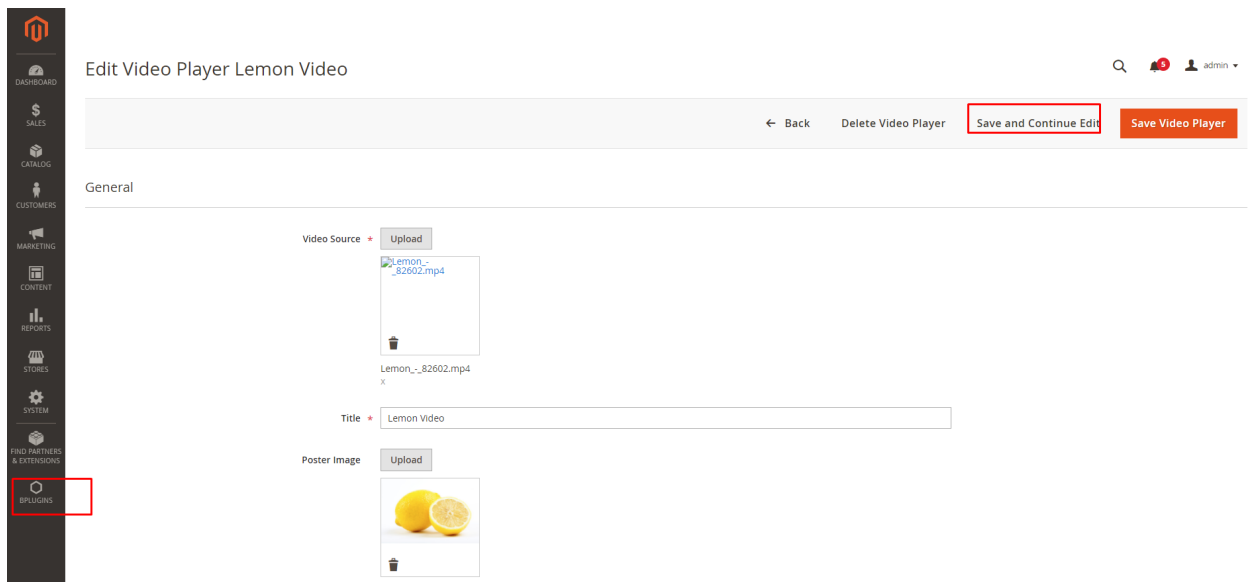

The screenshot displays the Magento 2 Configuration interface. On the left sidebar, the 'BPLUGINS' menu item is highlighted with a red box, and its sub-item 'Video Player' is also highlighted with a red box. The main content area shows the 'Configuration' page for 'Video Player'. The 'Enable Video' dropdown menu is set to 'Enable' and is highlighted with a red box. Below it, the 'Video Position on Product Page' dropdown menu is set to 'Product Gallery'. There is also a 'Select Image' section with a 'Choose File' button and a 'Delete Image' checkbox.

# Create Video Player

Navigate to **BPLUGINS >> Video Player >> Add New Video Player.**

- Upload Video file, and give name for assign it in products
- Select Player Options you wants to display on Video Player
- Save Video Player

# Assign Video Player

Admin can Assign Video Player to Products from Video Player Edit Page or from Product Page both.

- Assign to Products from Video Player Edit Page

-> Select Video Player and navigate to bottom and select Products you want to assign

-> Reset Product filter for show all Products

-> Select Products you want to Assign

-> Save Video Player

The screenshot shows the 'Edit Video Player Lemon Video' interface. At the top, there are navigation buttons: 'Back', 'Delete Video Player', 'Save and Continue Edit', and 'Save Video Player'. Below this is the 'Controls and Components' section, which includes a 'Products Fieldset' and a 'Search' bar with a 'Reset Filter' button. The table below shows 21 records found, with 12 records displayed. Each record has a checkbox in the first column, an ID, a Name, and a SKU. The products listed are:

ID	Name	SKU
1	Joust Duffle Bag	24-MB01
2	Strive Shoulder Pack	24-MB04
3	Crown Summit Backpack	24-MB03
4	Wayfarer Messenger Bag	24-MB05
5	Rival Field Messenger	24-MB06
6	Fusion Backpack	24-MB02
7	Impulse Duffle	24-UB02
8	Voyage Yoga Bag	24-WB01
9	Compete Track Tote	24-WB02
10	Savvy Shoulder Tote	24-WB05
11	Endeavor Daytrip Backpack	24-WB06
12	Driven Backpack	24-WB03

- Assign to Products from Product Edit Page

-> Navigate to Catalog >> Products >> Edit Product

-> Move to Video Attachment Section

-> Reset filter for show all Video Player

-> Select VideoPlayers you want to Assign

-> Save Product

The screenshot shows the 'Joust Duffle Bag' product edit page. The left sidebar contains navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, System, and Plugins. The main content area has a breadcrumb trail: Catalog > Products > Edit Product. The page title is 'Joust Duffle Bag'. There are buttons for 'Back', 'Add Attribute', and 'Save'. Below the title, there is a 'Create Configurations' button and a note about configurable products. The 'Video Attachment' section is highlighted with a red box. It shows a search bar with 'Reset Filter' highlighted, and a table with 7 records. The table has columns for 'ID' and 'Title'. The records are: 1 (1st Video Player), 2 (2nd Video Player), 3 (Test), 4 (Lemon Video), 5 (Toyota), 6 (Video without poster image), and 7 (Video without product image). The 'Test' and 'Toyota' rows are highlighted in blue. There is a '20 per page' dropdown and '1 of 1' pagination. An 'Activate Windows' watermark is visible in the bottom right corner.

Joust Duffle Bag

← Back Add Attribute Save

Configurable products allow customers to choose options (Ex: shirt color). You need to create a simple product for each configuration (Ex: a product for each color). Create Configurations

-> Save Page

The screenshot shows the Magento CMS page editor for the page titled "Customer Service". The page is currently in "Edit" mode, as indicated by the "Enable Page" toggle being turned on. The "Page Title" is set to "Customer Service". The left sidebar contains navigation options: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT (highlighted with a red box), REPORTS, STORES, SYSTEM, and PARTNERS & EXTENSIONS. The main content area is divided into sections: Content, Search Engine Optimization, and Video Attachment (highlighted with a red box). Below the Video Attachment section, there is a table with 7 records. The table has columns for "ID" and "Title". The records are:

ID	Title
1	1st Video Player
2	2nd Video Player
3	Test
4	Lemon Video
5	Toyota
6	Video without poster image
7	Video without product image

At the bottom right of the page, there is a "Save" button (highlighted with a red box) and a "Delete Page" button. The "Save" button is currently disabled, as indicated by the text "Activate Windows Go to Settings to activate Windows." below it.
