

Customer Tracking

User Guide

It is a tool to track the customers who purchased a specific product. This extension helps admin to get a list of all customer addresses who have purchased or to whom the product is shipped during a certain period.

Please go to admin panel -> Customer Tracking

The screenshot shows the Magento Admin Panel interface for the 'Customer Tracking' extension. On the left is a dark sidebar with a navigation menu. The 'CUSTOMER TRACKING' menu item is highlighted with a red box. The main content area is titled 'Customer Tracking' and includes a search bar with 'Back', 'Reset', and 'Search' buttons. Below the search bar are four filter fields: 'Purchased or shipped?' with a dropdown menu set to 'Purchased', 'Product' with a dropdown menu set to 'pen', 'From Date' with a date picker, and 'To Date' with a date picker. At the bottom of the page, there is a footer with the text 'Commerce Inc. All rights reserved.' and 'Magento ver. 2.0'.

Here will be option to select and search Purchased product/ Shipped product with a certain period. And it will show the result as follows
