

# User Guide

---

## 1. Overview

Hide Price/ Call For Price extension for Magento 2 allows you to flexibly hide price for a particular product, a certain category, or specific customer groups. Besides hiding price, the extension also hides “Add to Cart” button and replace it with a custom message or a Call for Price button that link to an Inquiry form in Ajax popup to obtain customer’s request.

## 2. How Does It Work?

### 2.1 In Configuration

Navigate to **BSS Advanced Hide Price⇒ Configuration**.

In **Configuration**, there are five main sections: General Config, Call For Price/Hide Price Priority, Call For Price Form Design, Call For Price Global Config and Hide Price Global Config.

# Configuration

Store View: Default Config

Save Config

GENERAL	General Config
CATALOG	Call For Price/ Hide Price Priority
CUSTOMERS	Call For Price Form Design
BSS EXTENSION	Call For Price Global Config
BSS COMMERCE	Hide Price Global Config

## 2.1.1 In General Config

### General Config

**Enabled Advanced Hide Price**    
[store view]  
Version 1.0.4

**'Add to Cart' Button Selector**   
[store view]  
Magento default: 'action.tocart'. Change selector of 'Add to Cart' button according to theme/site.

**Email Answer Customer Inquiry**    
[store view]

**Email Template**    
[store view]  
Email template chosen based on theme fallback when "Default" option is selected.

**Email Notify Admin**   
[store view]

**Email Template**    
[store view]  
Email template chosen based on theme fallback when "Default" option is selected.

In **Enabled Advanced Hide Price**, choose Yes to enable the extension or No to disable it.

In **Add to Cart Button Selector**, you can enter the selector of Add to Cart button depending on the theme or site.

In **Email Answer Customer Inquiry**, select an email to send a reply to customer's request then select **Email Template**.

In **Email Notify Admin**, fill in your email to immediately receive an email notifying customer request, then select **Email Template**.

### 2.1.2 In Call For Price/Hide Price Priority

#### Call For Price/ Hide Price Priority

Priority [global]

CallForPrice	▲
CallForPrice	
HidePrice	

Prioritize Call For Price or Hide Price Config by selecting that config in **Call For Price/Hide Price Priority**.

### 2.1.3 In Call For Price Form Design

#### Call For Price Form Design

Call For Price Form [store view]

Label	Type	Order	Required	Enable	Action
Your request	Text Are	20	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Your phone n	Text Fie	10	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	

[Add](#)

Add more fields to customize Inquiry Form

Show Customer Name And Email Fields [store view]

Show/Hide customer name field and email field when customer has logged in

AntiSpam Protection [store view]

Site Key [store view]

[Create a site key](https://www.google.com/recaptcha/admin)

Secret Key [store view]

[Create a site key](https://www.google.com/recaptcha/admin)

In **Call For Price Form**, customize the inquiry form by adding/ deleting fields in the form to obtain customer requests. Filling in the following options:

- Decide filed name in **Label**. E.g: Customer request.
- Decide filed type in **Type**. There are 3 options to select: Text Field, Text Area, Checkbox.
- Decide the order of the field in Inquiry Form in **Order**.
- Tick **Enable** checkbox to enable the field or **Required** to make the field compulsory to fill in, or click action button to discard it.

In **Show Customer Name and Email**, choose No to exclude Name and Email field in Inquiry Form if customers have logged in their accounts on site. Otherwise, choose Yes to include these filed for both logged-in and non-logged-in customers.

In **AntiSpam Protection**, choose Yes to enable reCaptcha test, or No to disable it.

If you choose Yes, 2 options will be displayed: Site Key and Site Secret.

To create site key and site secret, go to <https://www.google.com/recaptcha/admin#list>

### Label

### Choose the type of reCAPTCHA ?

reCAPTCHA v2  
Validate requests with the "I'm not a robot" checkbox.

Invisible reCAPTCHA  
Validate requests in the background.

reCAPTCHA Android  
Validate requests in your android app.

### Domains

(one per line)

**Please accept the terms of service.**

Accept the reCAPTCHA Terms of Service.

By accessing or using the reCAPTCHA APIs, you agree to the [Google APIs Terms of Use](#), [Google Terms of Use](#), and to the Additional Terms below. Please read and understand all applicable terms and policies before accessing the APIs.

Send alerts to owners ?

In **Label**, enter the label for the reCaptcha test. For example: reCaptcha.

In **Choose the type of reCAPTCHA**, select reCAPTCHA V2.

Then click the Register button.

The Recaptcha is now successfully created. Please copy the site secret key and site secret.

The screenshot shows the reCAPTCHA dashboard interface. At the top left is the reCAPTCHA logo. To its right is a navigation bar with a back arrow, the text 'recaptcha', and a '0' indicator. Further right are three utility icons: a bar chart, an information icon, and a settings gear. Below the navigation bar is a section titled 'Analytics' with a download icon. This section contains four rows of data, each with a title and a message: 'Requests passed & failed', 'Sessions completed', 'Spam index', and 'Average Response Time (seconds)'. Each row's message states: 'This site's traffic is below the minimum required to display charts.' Below the analytics section is a section titled 'Adding reCAPTCHA to your site' with an information icon. Under this title is a 'Keys' section with a dropdown arrow. It contains two columns: 'Site key' and 'Secret key'. The 'Site key' column includes the instruction 'Use this in the HTML code your site serves to users.' and a text box containing the key '6Ldj03AUAAAAAHZHW44kpqzK5XN1Hh5A40RQsgfo'. The 'Secret key' column includes the instruction 'Use this for communication between your site and Google. Be sure to keep it a secret.' and a text box containing the key '6Ldj03AUAAAAANCqWHo4kK8rU2U5beOFq0H5eOIq'.
