## 1. Disable Compare for Magento 2 Overview

[Disable Compare for Magento 2 extension](#) is a simple module that allows admin to disable the default compare functions without interfering with the core code.

## 2. How Does Disable Compare for Magento 2 Work?

Please go to **Stores → Configuration → BSSCommerce → Disable Compare**.

In **Disable**, choose **Yes** to remove all functions related to Compare. This action will:

- Remove the Compare button on the Widget, Category Page, Search Result Page, and Product Page.
- Remove Compare at the bottom of Layered Navigation.
- Remove Compare next to the Search Box (if you previously added one or more products to Compare)
- Remove Compare in the Related, Upsell, Cross-sell Products.

When you select **No**, Compare functions will work normally.
