1. Product Grid Inline Editor for Magento 2 Extension Overview

Magento 2 Product Grid Inline Editor Extension allows editing product directly on the admin product grid. The admin can edit name, price, quantity and other attributes of one or multiple products without navigating to each product edit page. The module also works well even the product grid is being filtered or redirected from another page.

2. How Does Product Grid Inline Editor for Magento 2 Extension Work?

2.1. General Configs

Please go to **Stores** → **Configuration** → **BSSCOMMERCE** → **Product Grid Inline Editor**.

General Options

The screenshot shows the configuration page for the Product Grid Inline Editor extension. It includes the following options:

- Enabled** [global]: A dropdown menu set to "Yes". Below it, the version "Version 1.0.0" is displayed. To the right is a checkbox labeled "Use system value".
- Allow Editing Content of Input Types** [global]: A multi-select dropdown menu with options: Text Field, Text Area, Date, Yes/No, Multiple Select, Dropdown, and Price. To the right is a checkbox labeled "Use system value". Below the dropdown is a note: "Multiple select input types that you want to allow editing. If you choose to allow editing 'Date' input type, the default format date in the product grid will be mm/dd/yyyy."
- Edit Multiple Rows** [global]: A dropdown menu set to "Yes". To the right is a checkbox labeled "Use system value".
- Edit Single Cell** [global]: A dropdown menu set to "No". To the right is a checkbox labeled "Use system value".

In **Enabled**: choose Yes to enable the module, or No to disable it.

In **Allow Editing Content of Input Types**: multi-select product attribute input types including Text Field, Text Area, Date, Yes/No, Multiple Select, Dropdown, and Price to allow editing in the grid.

Note:

- If the Date input type is allowed editing, the default format in the grid for you to customize is mm/dd/yyyy.
- Quantity is considered as Text Field input type, so you can edit product quantity only when the Text Field is picked.

In **Edit Multiple Rows**: choose Yes to allow editing multiple rows (products) in the grid at once, or No to not allow.

In **Edit Single Cell**: choose Yes to only edit a cell is clicked at once, or No to take action on all editable fields in a row.

* **Note: Edit Multiple Rows and Edit Single Cell** function can't work together. If you turn both configs to Yes, only Edit Single Cell function will be enabled. Although **Edit Multiple Rows** is Yes, you are not allowed to take action on multiple rows.

After selecting all configs, press **Save Config** button, and flush cache to start using this module.

2.2. Edit Attributes in Admin Product Grid

Please navigate to Catalog → Products, the admin product grid is displayed on this page. You can add columns (both default and custom columns) to product grid.

The screenshot shows the 'Products' admin page with a table of 2046 records. A modal window titled 'Columns' is open, showing a list of 16 out of 42 visible columns. The table columns include: Actions, ID, Thumbnail, Name, Type, Attribute Set, SKU, Price, Quantity, Visibility, Status, Websites, and Set Product New Date. The modal columns include: New Theme, Active From, Active To, Layout, Country of Manuf..., New Layout, Manufacturer's Su..., URL Key, Tax Class, Allow Gift Message, Action, Description, Base, Activity, Material, Erin Recommends, FPT, and text swatch test. A red callout box points to the 'Columns' modal with the text 'Add columns that you want to edit to product grid'.

Actions	ID	Thumbnail	Name	Type	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Set Product New Date
<input type="checkbox"/>	1		Wayfarer Messenger Bag	Simple Product	Bag	24-MB02-1	\$45.00	1000.0000	Catalog, Search	Disabled	Main Website, English website	
<input type="checkbox"/>	2		Tesst test 123	Simple Product	Bag	24-MB02	\$46.00	200.0000	Catalog, Search	Enabled	Main Website, English website	
<input type="checkbox"/>	3		Tesst test	Simple Product	Bag	24-MB03	\$46.00	100.0000	Catalog, Search	Enabled	Main Website, English website	
<input type="checkbox"/>	4		Rival Field Messengerzzz	Simple Product	Bag	mb07-1	\$45.00	100.0000	Catalog, Search	Enabled	Main Website, English website	

2.2.1. Edit a product in a row

To edit a product which is displayed on a particular row, please click on the row (except first tick-box and links).

The screenshot displays the 'Products' grid in Magento 2. The grid has 19 rows. Row 13, 'Overnight D', is selected. An orange callout bubble highlights the row with the text: 'Edit product attributes in many input types: Text, price, drop-down, date, multiple select, etc'. A modal window is open over row 14, 'Push It Messenger Bag', showing 'Cancel' and 'Save' buttons.

ID	Thumbnail	Name	Type	SKU	Attribute Set	Price	Quantity	Visibility	Status	Websites	Special Price	Special Price From Date	Cost	Color	Active From	Active To
13		Overnight D	Simple Product	24-1	Bag	\$45	100.0	Cata	Enat	Main Website	\$		\$			
14		Push It Messenger Bag	Simple Product	24-WB04	Bag	\$45.00	1			Main Website						
15		Affirm Water Bottle	Simple Product	24-UG06	Gear	\$7.00	100.0000	Catalog, Search	Enabled	Main Website						
16		Dual Handle Cardio Ball	Simple Product	24-UG07	Gear	\$12.00	100.0000	Catalog, Search	Enabled	Main Website	12.0000	05/02/2018				
17		Zing Jump Rope	Simple Product	24-UG04	Gear	\$12.00	100.0000	Catalog, Search	Enabled	Main Website						
18		Pursuit LumaFlex Tone Band	Simple Product	24-UG02	Gear	\$16.00	100.0000	Catalog, Search	Enabled	Main Website						
19		Go-Get'r Pushup Grips	Simple Product	24-UG05	Gear	\$19.00	100.0000	Catalog, Search	Enabled	Main Website						

The selected row is enabled and the editable information and attributes are included in boxes, which are available for you to change their values. After editing, you need to hit one of the following buttons to complete:

- **Cancel:** cancel all your recent adjustments on this row, and all values in the row won't be changed.
- **Save:** save your changes.

***Note:** You are not allowed to:

- Edit Quantity of these product types: configurable, grouped, and bundle product.
- Edit cells in Price attribute input type of these product types: configurable product, grouped product, and bundle product with dynamic price

- Edit ID, Thumbnail, Type, Attribute Set, Websites, Action (link) of all product types.

2.2.2. Edit multiple rows

To edit multiple rows at once, please follow this instruction:

Step 1: Choose a row

<input type="checkbox"/>	ID	Thumbnail	Name	Type ↓	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Special Price
<input type="checkbox"/>	51		Sprite Yoga Companion Kit	Bundle Product	Gear	24-WG080		0.0000	Catalog, Search	Enabled	Main Website	
<input checked="" type="checkbox"/>	211		Mach Street <input type="text" value=""/>	Configurable Product	Top	<input type="text" value="MH10"/>	\$62.00	0.0000	<input type="text" value="Cata"/> ↓	<input type="text" value="Enat"/> ↓	Main Website	
<input type="checkbox"/>	227		Grayson Crewneck Sweatshirt	Configurable Product				0.0000	Catalog, Search	Enabled	Main Website	
<input type="checkbox"/>	1866		Aeon Capri	Configurable Product	Bottom	WP07	\$48.00	0.0000	Catalog, Search	Enabled	Main Website	

Step 2: Select other rows to be edited together by checking box, an additional row including editable boxes that are correlative to the selected rows will be enabled.

<input type="checkbox"/>	ID	Thumbnail	Name	Type ↓	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Special Price
<input type="button" value="Cancel"/> <input type="button" value="Save Edits"/>												
			All in Column			All in Column	All in Column	All in Column	All in Column	All in Column		All in Column
<input type="checkbox"/>	51		Sprite Yoga Companion Kit	Bundle Product	Gear	24-WG080		0.0000	Catalog, Search	Enabled	Main Website	
<input checked="" type="checkbox"/>	211		Mach Street <input type="text" value=""/>	Configurable Product	Top	<input type="text" value="MH10"/>	\$62.00	0.0000	<input type="text" value="Cata"/> ↓	<input type="text" value="Enat"/> ↓	Main Website	
<input checked="" type="checkbox"/>	227		Grayson Crew	Configurable Product	Top	<input type="text" value="MH11"/>	\$64.00	0.0000	<input type="text" value="Cata"/> ↓	<input type="text" value="Enat"/> ↓	Main Website	
<input checked="" type="checkbox"/>	1866		Aeon Capri	Configurable Product	Bottom	<input type="text" value="WP07"/>	\$48.00	0.0000	<input type="text" value="Cata"/> ↓	<input type="text" value="Enat"/> ↓	Main Website	
<input checked="" type="checkbox"/>	243		Ajax Full-Zip <input type="text" value=""/>	Configurable Product	Top	<input type="text" value="MH12"/>	\$69.00	0.0000	<input type="text" value="Cata"/> ↓	<input type="text" value="Enat"/> ↓	Main Website	

Step 3: Enter the custom values to the All in Column boxes

Step 4: Choose Apply button in the additional row to apply new attribute values to all chosen products.

The screenshot displays the Magento 2 Product Grid Inline Editor. At the top, there's a 'Products' header with an 'Add Product' button and a status bar showing '2046 records found (3 selected)'. Below this is a table with columns: ID, Thumbnail, Name, Type, Attribute Set, SKU, Price, Quantity, Visibility, Status, Websites, Set Product as New from Date, Set Product as New to Date, URL Key, Action, and Activity. A red callout box points to an 'Apply' button in the 'Action' column of a row where the 'Quantity' field is highlighted. The 'Apply' button is labeled 'Press this button to apply the new value'. The table shows three selected products (ID 1, 2, 3) and one unselected product (ID 4). The 'Apply' button is located in the 'Action' column of the row where the 'Quantity' field is highlighted.

Step 5: Choose **Save Edits** or **Cancel** button to complete.

Note: You can edit multiple products in different types, but the new values can be applied to only the allowed editing input types.

Cancel Save Edits
