

Mini Cart Slider

Mini Cart Slider

Mini cart slider extension allows customers to view and manage contents in cart easily with slider functionality.

Backend Configuration :

Please follow the steps given below with screenshots:

Step1: Go to Dotsquares Minicartslider->Configuration OR

Go to Store->Configuration->Dotsquares->Minicartslider.

Step 2: For Enable/Disable module Store -> Dotsquares -> Mini Cart Slider.

The screenshot shows the 'Configuration' page in a Magento store. The left sidebar contains navigation menus for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, and Stores. The main content area is titled 'Configuration' and shows the 'General' tab selected. Under the 'DOTSQUARES' section, the 'Mini Cart Slider' option is highlighted. A red box highlights the 'Enable Minicartslider' dropdown menu, which is set to 'Yes'. A note below the dropdown reads 'Note: Enable using Minicartslider.' A red arrow points from the 'Mini Cart Slider' option in the sidebar to the dropdown menu.

Front-end Display:

Once the extension configured correctly, the customer will be able to view slider in the minicart area with Previous and Next arrow buttons to check each cart item in form of a slide. Below is the screenshow which shows how it should displayed:-

The screenshot shows the front-end of the LUMA store. The top navigation bar includes the LUMA logo, a search bar, and a shopping cart icon with '3' items. Below the navigation bar, there is a banner for 'New Luma Yoga' and a 'Shop New Yoga' button. A shopping cart popup is open, showing '3 Items in Cart' and a 'Cart Subtotal' of '\$118.00'. The cart contains one item, 'LifeLong Fitness IV', priced at '\$14.00' with a quantity of '1'. The cart item is displayed in a slider format with left and right arrow buttons for navigation. A red box highlights these navigation arrows, with a note that reads 'Slider navigation to move between cart products.' A 'Proceed to Checkout' button is visible at the top of the cart popup.
