

## Installation Guide

Thank-you for using our extension.

Below you will find a step by step guide on how to install our extension to your Magento 2 platform.

Steps:

1. Extract the content in the zip file to <magento 2 install dir>/app/code
2. Run command: `php magento module:enable Ebridge_Integration`
3. Run command: `php magento setup:upgrade`
4. Run command: `php magento setup:di:compile`
5. Use the newly installed extension!
