

FME EXTENSIONS

EXTENSION FOR MAGENTO 2

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Call For Price** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

RULE INFORMATION > HIDE PRICE OPTIONS

- **Hide Price:** Select 'Yes' or 'No' to Show/Hide the price
- **Hide "Add to Cart":** Select 'Yes' to Hide 'Add to Cart' or select 'Replace with Custom Button' to replace add to cart with a button e.g. 'Sign up' or 'Get a Quote etc.

If you select '**Replace with Custom Button**' here, the following three fields will display at your screen.

- **Replace "Add to Cart" Title With:** Enter a text which will be shown instead of the 'Add to Cart' button.
- **CSS Styles For Replaced Link:** Customize the CSS Styles for the replaced Link
- **Replace "Add to Cart" Link With:** Use text '**FMEHidePricePopup**' for opening Ajax popup with a 'Get a Quote' form. Insert the page URL to redirect the customers to any page e.g. module/controller/action
- **Hide "Add to Wishlist":** Select 'Yes' or 'No' to Show/Hide the Wishlist link when the price is hidden
- **Hide "Add to Compare":** Select 'Yes' or 'No' to Show/Hide the Compare link when the price is hidden

Hide Price Options

Hide Price	<input type="text" value="Yes"/>
Hide "Add to Cart"	<input type="text" value="Replace with custom button"/>
Replace "Add to Cart" Title with	<input type="text"/>
Css Styles for Replaced Link	<input type="text"/>
Replace "Add to Cart" Link with	<input type="text"/>
Hide "Add to Wishlist"	<input type="text" value="Yes"/>
Hide "Add to Compare"	<input type="text" value="Yes"/>

RULE INFORMATION > FRONTEND OPTIONS

- **Hide Price Text:** Enter a text to show instead of the product price. This text will display on the frontend when the price is hidden e.g. 'Call for Price'
- **Custom CSS Styles For Hide Price Link:** Customize the CSS styles for the Hide Price link
- **Upload Image:** Option to upload an image which will display on the frontend in place of the product price
- **Link URL:** Use text '**FMEHidePricePopup**' for opening Ajax popup with a 'Get a Quote' form. Insert the page URL to redirect customers to any page you need.

Frontend Options

Hide Price Text	<input type="text"/>
Custom CSS Styles for Hide Price Link	<input type="text"/>
Upload Image	<input type="button" value="Choose File"/> No file chosen
Link Url	<input type="text"/>

(Note: User can see the price and place order via "Reorder").

RULES > CONDITIONS

Apply the rule only if the following conditions are met (leave blank for all products).

HOW TO MANAGE GET A QUOTE REQUESTS

At the back end, go to [FME EXTENSIONS > Get a Quote Requests](#). Here you will find all the submissions in a grid, click on any pending one to continue.

<input type="checkbox"/>	ID ↑	Name	Email	Product Id	Store View	Created	Status
<input type="checkbox"/>	46	Basim	Basim@gmail.com	7	Main Website Main Website Store Default Store View	Feb 2, 2021, 1:30:14 AM	Pending
<input type="checkbox"/>	45	Ahmed	ahmedmirza@gmail.com	1	Main Website Main Website Store Default Store View	Feb 2, 2021, 1:29:54 AM	Pending

Now here you can reply to the callbacks as per your requirement. The replies will be forwarded to their email in the selected template.

A screenshot of a contact form popup titled "Get a Quote for Beaumont Summit Kit" with a close button (X) in the top right corner. The form is overlaid on a background image of a person wearing a bright yellow-green jacket. The form contains the following fields and elements:

- Title: "Get a Quote for Beaumont Summit Kit" with a red asterisk and "Required Fields" text.
- Form fields: "Name *", "Email *", and "Telephone *", each with a corresponding text input box.
- Section: "Request Details" with a larger text area for additional information.
- Security: A checkbox labeled "I'm not a robot" next to a reCAPTCHA logo and "reCAPTCHA Privacy - Terms" link.
- Buttons: "Submit" and "Reset" buttons at the bottom.

DISCLAIMER

It is highly recommended to back up your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.
