
Installation Guide

FME Advanced Store FAQs can be installed by any of the following two Methods:

■ Method I:

1. Unzip *fme_faqs.zip* to a local folder.
2. Copy the full folder *local_folder/app/code/FME/Faqs* to *magento_root_directory/app/code/FME/*
3. Go to *your_magento_directory/app/etc/*
4. Open *config.php* file from *etc* folder
5. Add below line in *\$modules* array at the end

```
'FME_Faqs' => 1,
```
6. Now open console or shell window
7. Go to your magento directory and run the below command

```
php bin/magento setup:upgrade
```
8. Now logout from your admin panel and again login you will see FME Extensions Menu in Left Menu of your admin panel

■ Method II:

1. Unzip *fme_faqs.zip* to a local folder
2. Copy the full folder *local_folder/app/code/FME/Faqs* to *your_magento_directory/app/code/FME/*
3. Now open console or shell
4. Go to your magento directory and run the below commands
 - a.

```
php bin/magento module:enable --clear-static-content FME_Faqs
```
 - b.

```
php bin/magento setup:upgrade
```
5. Now logout from your admin panel and again login you will see FME Extensions Menu in Left Menu of your admin panel

After installation of module, make sure the setup is upgraded and static-contents are deployed. Login to admin panel and flush you Magento cache storage.
