

FME EXTENSIONS

EXTENSION FOR MAGENTO 2

USER GUIDE

## INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of **Invoice Email** Extension for Magento 2. A step by step instruction has been added to this document to help users to install the extension on Magento 2.

This extension will only work on Magento 2. As a safe practice always backup your files and database before installing any extension on Magento. If you are looking for someone to install the extension, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the extension to its full capacity. If you still have questions, feel free to contact us on our website.

## USER GUIDE

After installation of the extension, make sure the setup is upgraded and static-contents are deployed. Login to the admin panel and flush your Magento cache storage.

## HOW TO CONFIGURE THE EXTENSION

At the back end, go to **FME EXTENSIONS > Invoice Email Configurations**. Here You can find the following settings:

### GENERAL SETTINGS

- **Enabled:** Option to Enable/Disable the module
- **Share All Order Emails:** Select 'Yes' or 'No' to share all order emails. If set to 'No', only invoice emails will be shared
- **Fields Heading:** Enter a heading for the invoice email field
- **Show on Default Customer Registration Page:** Select 'Yes' or 'No' to show invoice emails information on the default customer registration page
- **Show Breadcrumbs:** Select 'Yes' or 'No' to Show/Hide breadcrumbs

The screenshot shows the 'General Settings' for the 'Invoice Email' module. The settings are as follows:

Setting	Value
Enabled [store view]	Yes
Share All Order Emails [store view]	No
Fields Heading [store view]	Invoice Email
Show on default Customer Registration page [store view]	Yes
Show Breadcrumbs [store view]	Yes

## HOW USERS CAN ADD INVOICE EMAILS

At the front-end, users can add Invoice Emails on the 'Registration' page.

What's New Women ▾ Men ▾ Gear ▾ Training ▾ Sale

## USER ACCOUNT PAGE (ACCOUNTS DASHBOARD)

A screenshot of a user account dashboard. At the top, there is a navigation bar with links: 'What's New', 'Women', 'Men', 'Gear', 'Training', and 'Sale'. Below this is a breadcrumb trail: 'Home &gt; Invoice Email'. On the left side, there is a vertical menu with the following items: 'My Account', 'My Orders', 'My Downloadable Products', 'My Wish List', 'Address Book', 'Account Information', 'Stored Payment Methods', 'Billing Agreements', 'My Product Reviews', 'Newsletter Subscriptions', and 'Invoice Email' (which is highlighted with a red vertical bar). The main content area on the right is titled 'Invoice Email' and contains a text input field with the email address 'farman.ullah@unitedsol.net'. Below the input field is a blue 'Submit' button. The text 'Invoice Email' is displayed in a large font below the button.

**Note:** Registered users can edit previously submitted Invoice emails here as well.
