HOW TO CONFIGURE SUB-CATEGORY LISTING EXTENSION FOR MAGENTO 2

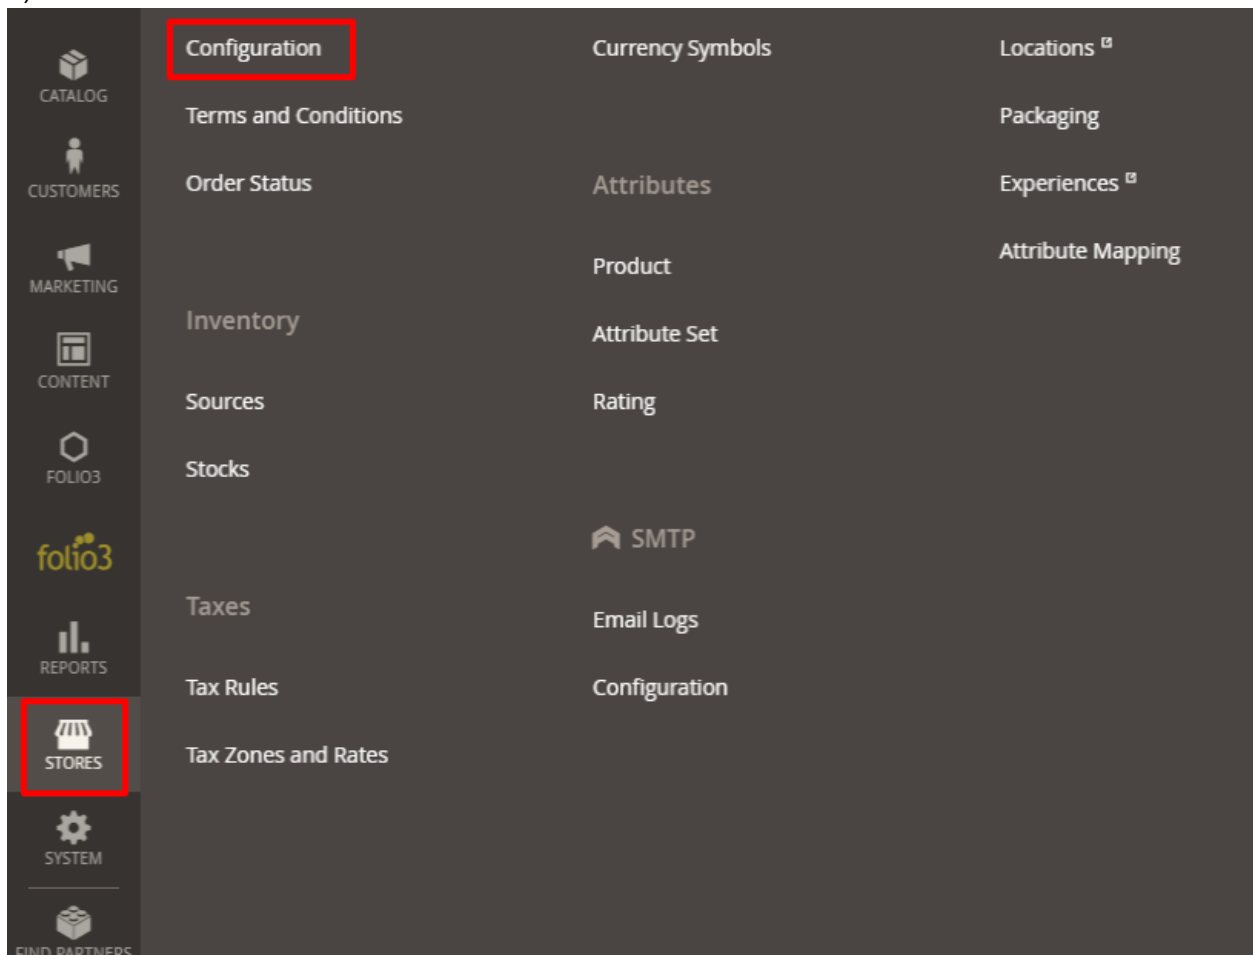

Follow the steps listed below:

1) Install the extension following the steps written in the extension installation guide.

2) Login to your Magento 2 admin panel and navigate to:

[Stores > Configuration > Folio3 Extensions > Subcategories Listing](#)

3) Enable the extension.

The image shows the Magento Configuration interface. On the left is a vertical sidebar with various menu items: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, FOLIO3, FOLIO3, folio3, REPORTS, and CMS. The main content area is titled 'Configuration' and shows a list of configuration options under the 'FOLIO3 EXTENSIONS' category. The 'Subcategories Listing' option is highlighted with a red box. Other options include Residential Delivery, Product Review, Maintenance Mode, Email Logs, Product Attachments, Layered Navigation, Logging Level, Gift Coupon, Instagram Gallery, Bundle Child product(s) dependency, Countdown Timer, Reorder Products, Price Filter UI Setting, Order Report, Admin Activity Logs, Push Notification, Shipment Countdown Timer, Delete Notification, and Shopping List Manager. At the bottom of the page, there is a footer with the text 'Copyright © 2021 Magento Commerce Inc. All rights reserved.' and 'Magento ver. 2.4.1' with links for Privacy Policy, Account Activity, and Report an Issue.

4) Now navigate to Catalog>Categories. Choose any category that has further subcategories. For example go to Men and select Tops that has further subcategories. In edit mode under 'Display Settings' tab, choose subcategories only from dropdown of 'Display Mode'.

5) Click save.

Now you will see that changes are reflected on frontend after saving the configuration.

We have three subcategories of Tops i.e Jackets, Tees and Tops. When we navigate to Tops page, we will see all subcategories will be listed as a list. Each category will show unique swatches of all colours present in the product under that category. Price displayed under the category will be the one that is the lowest price of all products under that category.
