

INSTALL INSTRUCTIONS

Foومان Same Invoice Order Number: Magento 2

Installation of extension ordered from Magento Marketplace

1. Purchase the extension through the [Magento Marketplace](#). Once complete the extension will show in your account under My Purchases.

The screenshot shows the 'My Purchases' page on the Magento Marketplace. The navigation bar includes 'EXTENSIONS', 'THEMES', a search icon, a shopping cart icon, and the user name 'FOOMAN'. The main content area has tabs for 'Extensions', 'Themes', and 'Packages'. Below the tabs, there are filters for 'All Platforms' and 'All Editions'. Two extension cards are displayed: 'Same Order Invoice Number' (version 2.0.3) and 'Order Manager' (version 2.0.2). Each card has a 'Download' button.

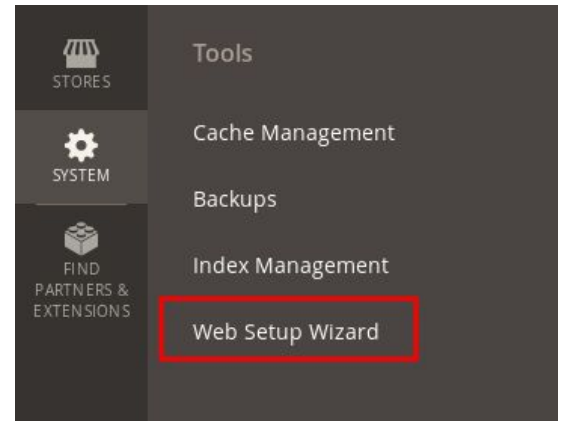

2. Create access keys in your Marketplace account (if you haven't done so already):

The screenshot shows the 'My Account' page on the Magento Marketplace. The navigation bar includes 'Magento', 'Marketplace', and 'Developer Portal'. The 'Marketplace' tab is selected. The main content area has a sidebar with 'My Products' and 'My Access Keys' (highlighted with a red box). The 'Payment' section includes 'Purchase History' and 'Refunded Orders'.

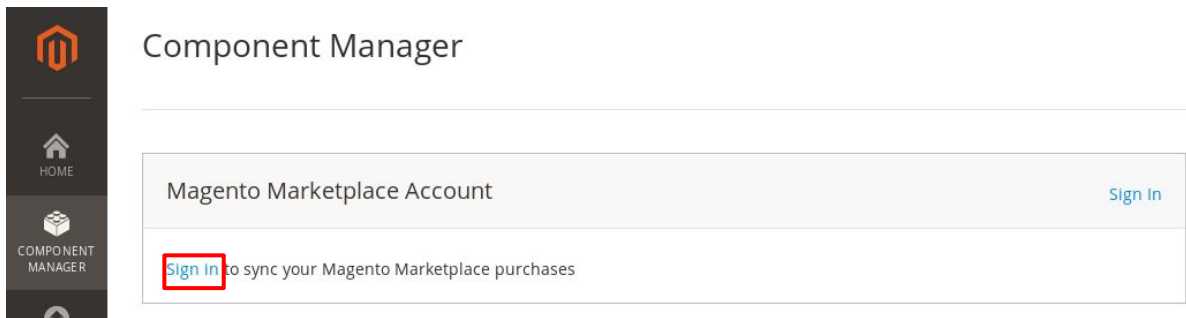

The screenshot shows the 'My Access Keys' page. It contains a table with one row for 'Demo' access keys. The 'Public Key' and 'Private Key' fields are highlighted with red boxes.

Name	Access Keys
Demo	<p>Public Key:</p> <input type="text"/> <p>Private Key:</p> <input type="text"/>

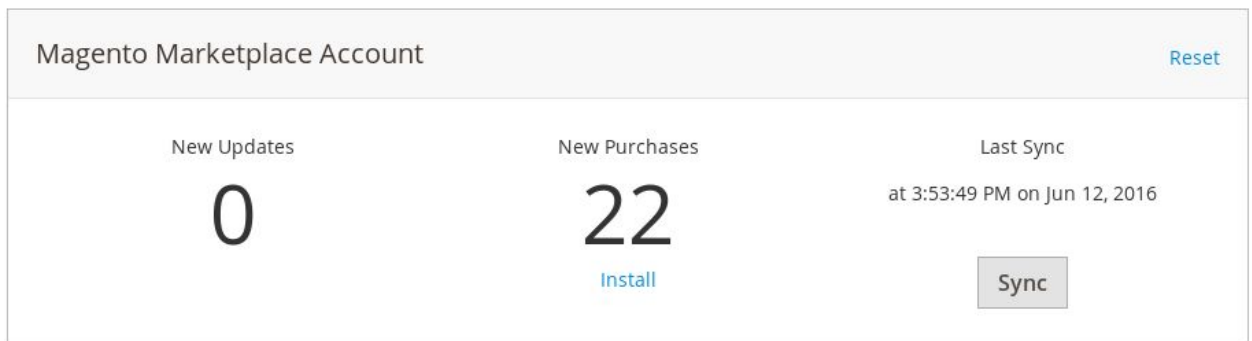

3. In your Magento store, head to System > Web Setup Wizard

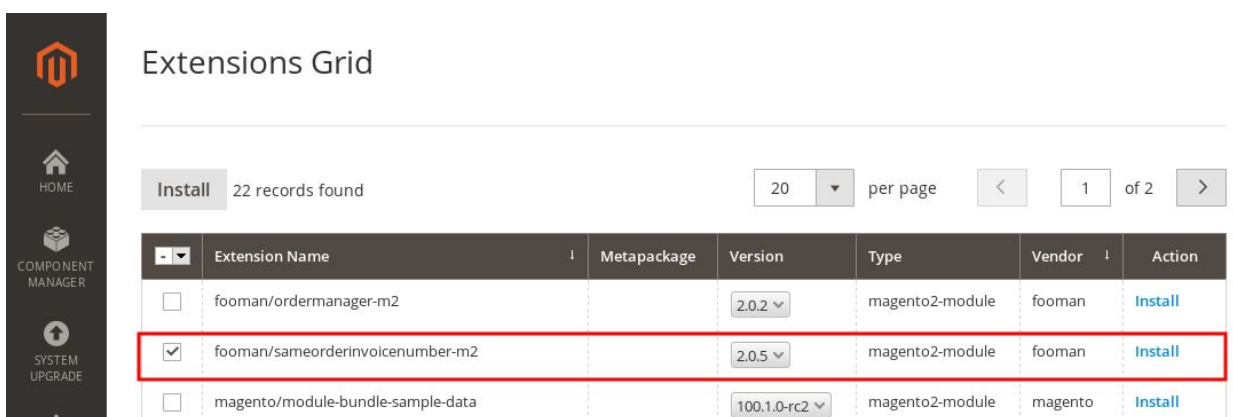

4. Choose the Component Manager and then hit “Sign In” (if not done prior) using the Access Keys created for your Marketplace account.

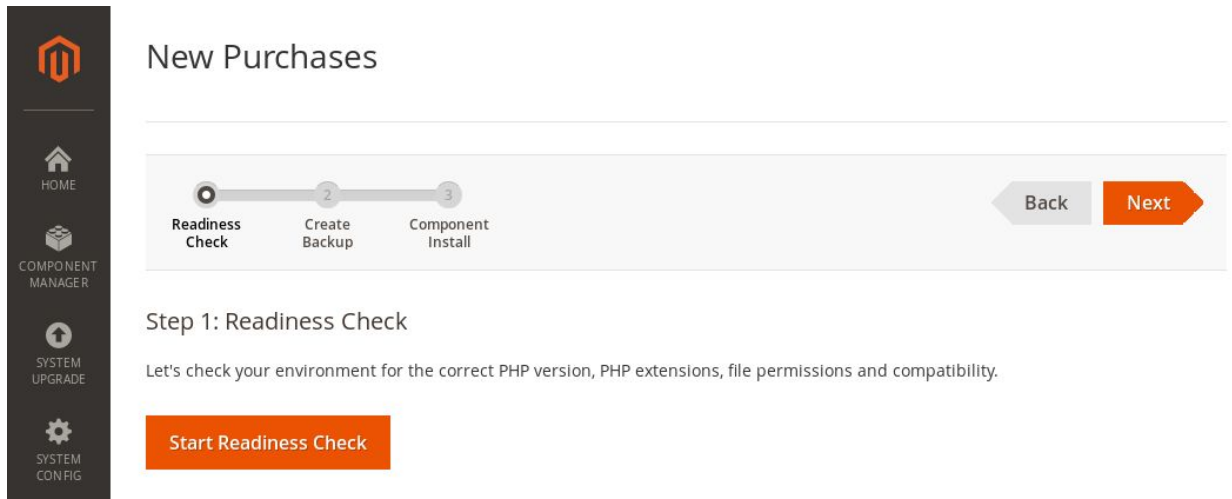

5. Use the Sync button if the last Sync was performed before the purchase of the extension. Next click “Install”.

6. Select the extension/s you want to install and hit the Install button

7. Follow the 3 Steps of the Setup Process by using the Next buttons. Please refer to Magento's troubleshooting guide [here](#) if you encounter any errors.
