

Sticky Add to Cart Extension For Magento 2 By HiddenTechies

How to configure extension:

Once the extension is installed, proceed to Magento 2 backend to finalize the Sticky Add to Cart setup.

To set the configuration options go to **Sticky Cart > Configuration**.

The screenshot shows the Magento 2 Configuration interface. At the top, there is a search bar, a notification bell, and a user profile icon labeled 'admin'. Below this, the 'Configuration' title is displayed. A 'Store View' dropdown is set to 'Default Config', and a 'Save Config' button is visible in the top right corner. On the left side, a navigation menu lists various configuration sections: GENERAL, HIDDENTECHIES EXTENSIONS (expanded), Sticky Cart (selected), CATALOG, CUSTOMERS, SALES, SERVICES, and ADVANCED. The main content area is titled 'General' and contains several configuration options, each with a dropdown menu set to 'Yes':

- Enable [store view]
- Show Product Image [store view]
- Show Product Name [store view]
- Show Product Price [store view]
- Show Product SKU [store view]
- Show Product Availability [store view]
- Show Cart Button [store view]

At the bottom of the configuration area, there is a text area for 'Add Custom Css [store view]'. Below this text area, a code snippet is provided as an example:

```
Type In your custom styles , e.g.:  
.classname {  
  float: left;  
  width: 100%;  
}
```

General Settings:

These are the settings that affect Sticky Add to Cart accessibility, control layout and other functional aspects.

Following configuration options are available.

Enable: Enable or Disable this extension functionality

Show Product Image: Select Yes or No.

Show Product Name: Select Yes or No.

Show Product Price: Select Yes or No.

Show Product SKU: Select Yes or No.

Show Product Availability: Select Yes or No.

Show Cart Button: Select Yes or No.

Add Custom Css: Add your custom stylesheet code.

Now the general options for Sticky Add to Cart are configured.

That's it. Once all options selected, click **Save** button and Sticky Add to Cart is ready. Now Clear the cache and check the front end to see Sticky Add to Cart Bar on product page.
