Installation

In order to install the Etsy Marketplace Integrator Extension follow the steps mentioned below:

1. Download the Etsy Marketplace Integrator module package.
2. You'll receive a zipped file containing the user manual and the source code of plugin. Unzip the package.
3. Create a folder {Magento root}/app/code/Knowband/Etsy.
4. Upload the extracted content in the above folder via FTP manager (like Filezilla or WinSCP - download here: <http://filezilla-project.org/>).
5. Now run below commands to install the plugin:

```
php -f bin/magento module:enable --clear-static-content Knowband_Etsy  
php -f bin/magento setup:upgrade  
php -f bin/magento setup:di:compile  
php bin/magento setup:static-content:deploy
```
6. In Admin Panel go to the main menu -> Knowband -> Etsy.
7. The Etsy Marketplace integrator extension is now ready for use.

This User Manual will guide the users through the Etsy Marketplace Integrator extension configuration and settings.
