

Installation Steps - PWA Mobile App

1- After purchasing the module you will get a package.

1- The package has a zipped file that contains the user manual and the source code of PWA Extension. Unzip the package.

2- Create a folder{Magentoroot}/app/code/Knowband/Googleshopping

3- Upload the extracted content in the above folder via FTP manager (like Filezilla or WinSCP - download here: <http://filezilla-project.org/>).

4- Now run below commands to install the plugin:

a) `php bin/magento setup:upgrade`

b) `php bin/magento setup:di:compile`

c) `php bin/magento setup:static-content:deploy`
