

LoyaltyLion for Magento 2: User Guide

Create a LoyaltyLion account

LoyaltyLion for Magento 2 requires a LoyaltyLion account to operate. Sign up for an account here:

<https://app.loyaltylion.com/signup/magento>

Once you've signed up, the interactive setup guide will instruct you on installing and configuring your LoyaltyLion module.

Install the Magento module

Find and get the magento module on the marketplace here:

<https://marketplace.magento.com/loyaltylion-loyaltylion-magento-2.html>

See this guide for steps to install your Magento module once you've selected the extension on the marketplace:

<https://www.fastcomet.com/tutorials/magento2/installing-extensions>

Other documentation

For an up-to-date guide to using the LoyaltyLion management interface and customising LoyaltyLion for your store, find our knowledge base here:
