

MageAcademy Extension User Guide

Enable Merge Customer

Go to Store > Configuration > Mage Academy > Merge Customer

General Settings > Enable = Yes (Default)

Disable Merge Customer

Go to Store > Configuration > Mage Academy > Merge Customer

General Settings > Enable = No

How it works?

1. Register an account on website
2. Now Place an order as guest with same email id by which you have registered
3. Now Login with same email id you will get your order in your account.
