## **Preface**

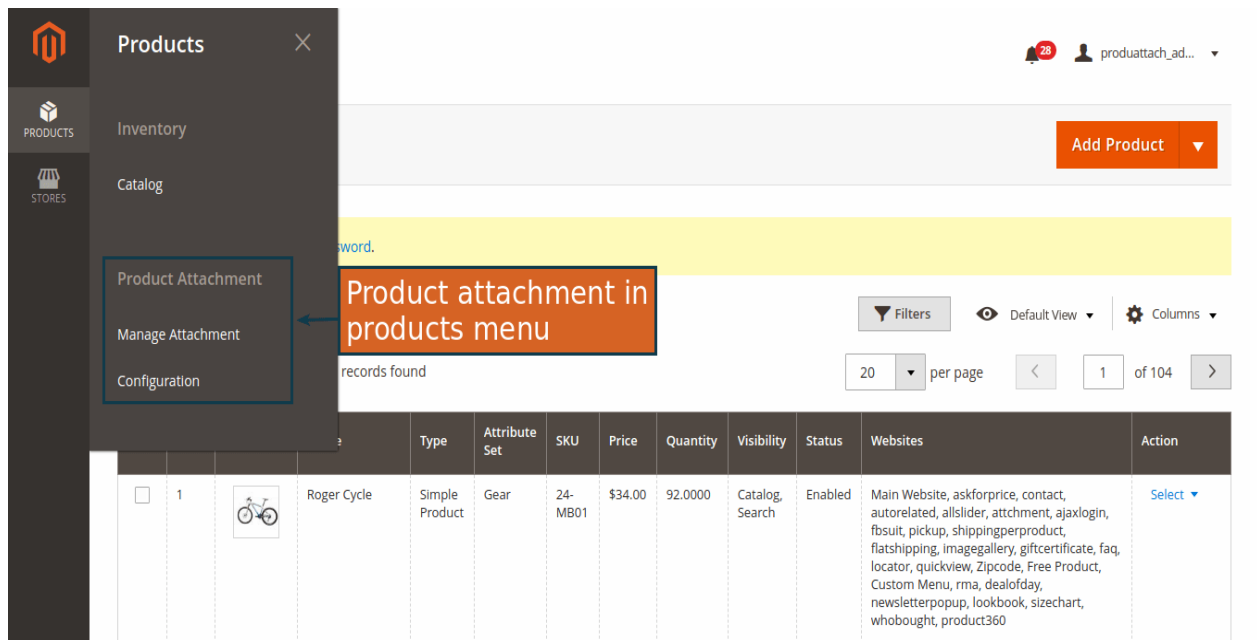

Product Attachment is a perfect extension for store owner who wants to attach some file or document with the products. Now a day how to use prodduct or product related instruction are must inform to customer, so it's require that admin inform customer through document or any other way. So ProductAtchment is a most important extension for the store owner.

- Easy to create attachment and can select multiple product for one attachment.
- Admin can create multiple attachment and assign to multiple products.
- owner can attach any type of document or image with the products.
- admin can assign multiple attachment to single products also.
- In front product view page if there is any attachment then display that attachment into the attachment Tab otherwise tab is not displayed.
- Easy to configure extension.

## Configuration

After Installation of Extension log in to magento admin panel for set configuration of the extension.

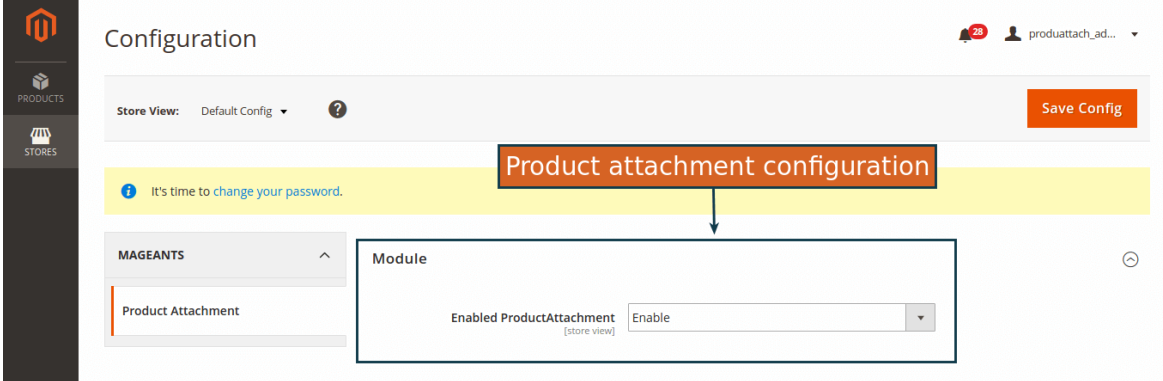

Extension menu and sub menu:

The screenshot shows the Magento Admin Panel interface. On the left, the 'Products' menu is open, displaying sub-items: 'Inventory', 'Catalog', 'Product Attachment', 'Manage Attachment', and 'Configuration'. The 'Product Attachment' item is highlighted with a blue box, and an orange callout box with an arrow points to it, containing the text 'Product attachment in products menu'. The main content area shows a table of products. The first row is highlighted in yellow. The table has columns for checkboxes, IDs, product images, names, types, attribute sets, SKUs, prices, quantities, visibility, status, websites, and actions.

				Type	Attribute Set	SKU	Price	Quantity	Visibility	Status	Websites	Action
<input type="checkbox"/>	1		Roger Cycle	Simple Product	Gear	24-MB01	\$34.00	92.0000	Catalog, Search	Enabled	Main Website, askforprice, contact, autorelated, allslider, attachment, ajaxlogin, fbsuit, pickup, shippingperproduct, flatshipping, imagegallery, giftcertificate, faq, locator, quickview, Zipcode, Free Product, Custom Menu, rma, dealofday, newsletterpopup, lookbook, sizechart, whobought, product360	Select

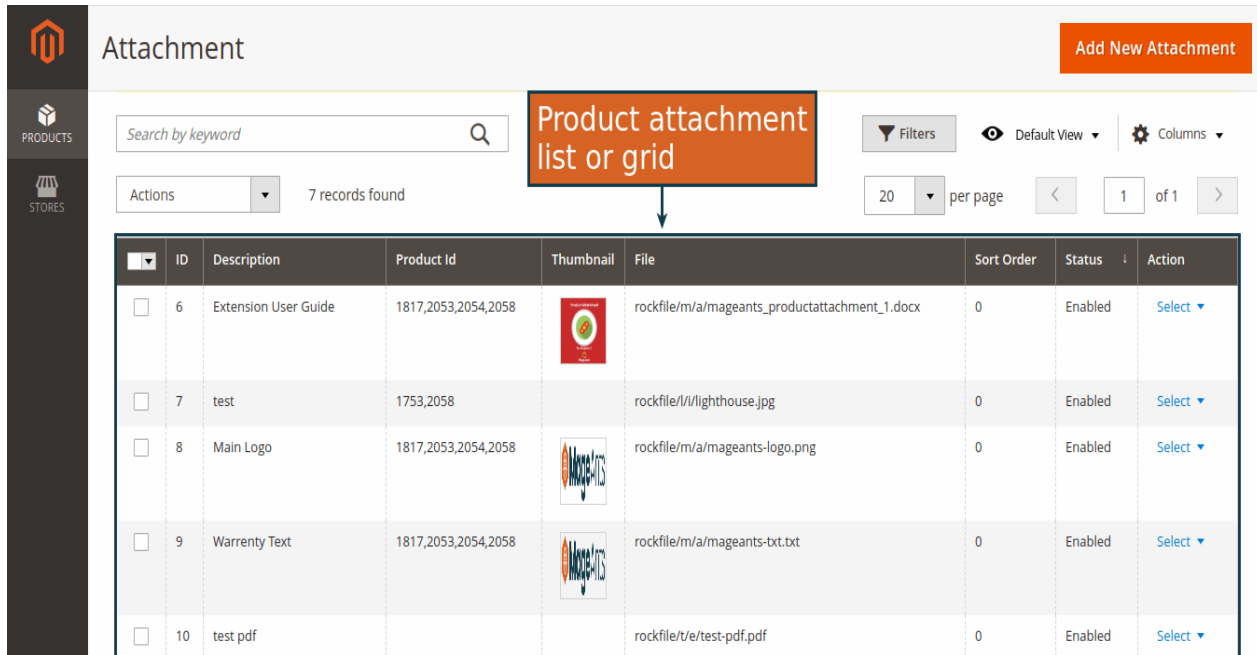

As per below screen shots you can Enable/Disable extension.

The screenshot displays the 'Configuration' page in the MageAnts admin interface. The page title is 'Configuration' and the user is logged in as 'produattach\_ad...'. The 'Store View' is set to 'Default Config'. A 'Save Config' button is visible in the top right. A yellow notification banner states 'It's time to change your password.' A red box labeled 'Product attachment configuration' with an arrow points to the 'Product Attachment' module configuration. The module is 'Enabled ProductAttachment [store view]' and is currently set to 'Enable' in a dropdown menu.

## Back-end Example:

To set no. of Attachment on Products Please go to Products -> Manage Attachment there you can see list of all Attachment which added by you & click on **Add Attachment** button for the add new attachment.

The screenshot displays the 'Attachment' management page in the MageAnts back-end. The page title is 'Attachment' and there is an 'Add New Attachment' button in the top right corner. The interface includes a search bar, a filter button, and a 'Default View' dropdown. Below the search bar, it indicates '7 records found'. The main content is a table listing attachments:

ID	Description	Product Id	Thumbnail	File	Sort Order	Status	Action
6	Extension User Guide	1817,2053,2054,2058		rockfile/m/a/mageants_productattachment_1.docx	0	Enabled	Select
7	test	1753,2058		rockfile/l/l/lighthouse.jpg	0	Enabled	Select
8	Main Logo	1817,2053,2054,2058		rockfile/m/a/mageants-logo.png	0	Enabled	Select
9	Warrenty Text	1817,2053,2054,2058		rockfile/m/a/mageants-txt.txt	0	Enabled	Select
10	test.pdf			rockfile/t/e/test-pdf.pdf	0	Enabled	Select

Here you can set your basic info and Attach file for product attachment.

## Front-end Example:

Product Attachment into product page.

The screenshot shows a product page for a pair of shorts. The main image is a close-up of the shorts. Below it are two smaller images of a woman wearing the shorts, one of which is highlighted with a red border. To the right of the images are buttons for 'Add to Cart', 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'. Below the images are four tabs: 'Details', 'More Information', 'Attachment', and 'Reviews'. The 'Attachment' tab is active, displaying a table of attachments.
