Advanced Breadcrumbs Configurations

To configure the Advanced Breadcrumbs Extension for Magento, navigate to **Stores >> Settings >> Configuration >> MageArray Extensions >> Advanced Breadcrumbs**

The screenshot shows the Magento Admin Configuration page for the Advanced Breadcrumbs extension. The page title is "Configuration". In the top right corner, there is a search icon, a notification bell with "12", and a user profile icon labeled "admin". Below the title bar, there is a "Store View" dropdown set to "Default Config" and a "Save Config" button. A red speech bubble with the text "System Config for Advanced Breadcrumbs" is overlaid on the page. On the left side, there is a navigation menu with categories: GENERAL, CATALOG, CUSTOMERS, MageArray Extensions (expanded), and Advanced Breadcrumbs (selected). The main content area is titled "General Options" and contains five configuration options, each with a dropdown menu:

- Active [store view]: Yes
- Display Breadcrumbs [store view]: Full Path
- Customer Account pages [store view]: Yes
- Display Product Page [store view]: Yes
- Contact Us page [store view]: Yes

General Setting

- **Active** - You can set Module yes/no.
- **Display Breadcrumbs** - You can set Type of breadcrumbs from dropdown or fullpath.
 1. Dropdown - Show Dropdown breadcrumbs.for ex.In product page breadcrumbs category showing with dropdown if category has subcategories.
 2. Full Path - The Full Path option applies the longest possible breadcrumbs path.
- **Customer Account Pages** - Shows breadcrumbs on customer account pages also.
- **Display Product Page** - This Option is available when full path breadcrumbs is selected.it enable/disable full path for product page only. (NO - would not disable full path, But will not disable the default magento breadcrumb)
- **Contact Us Page** - Enable breadcrumbs on contact us page.

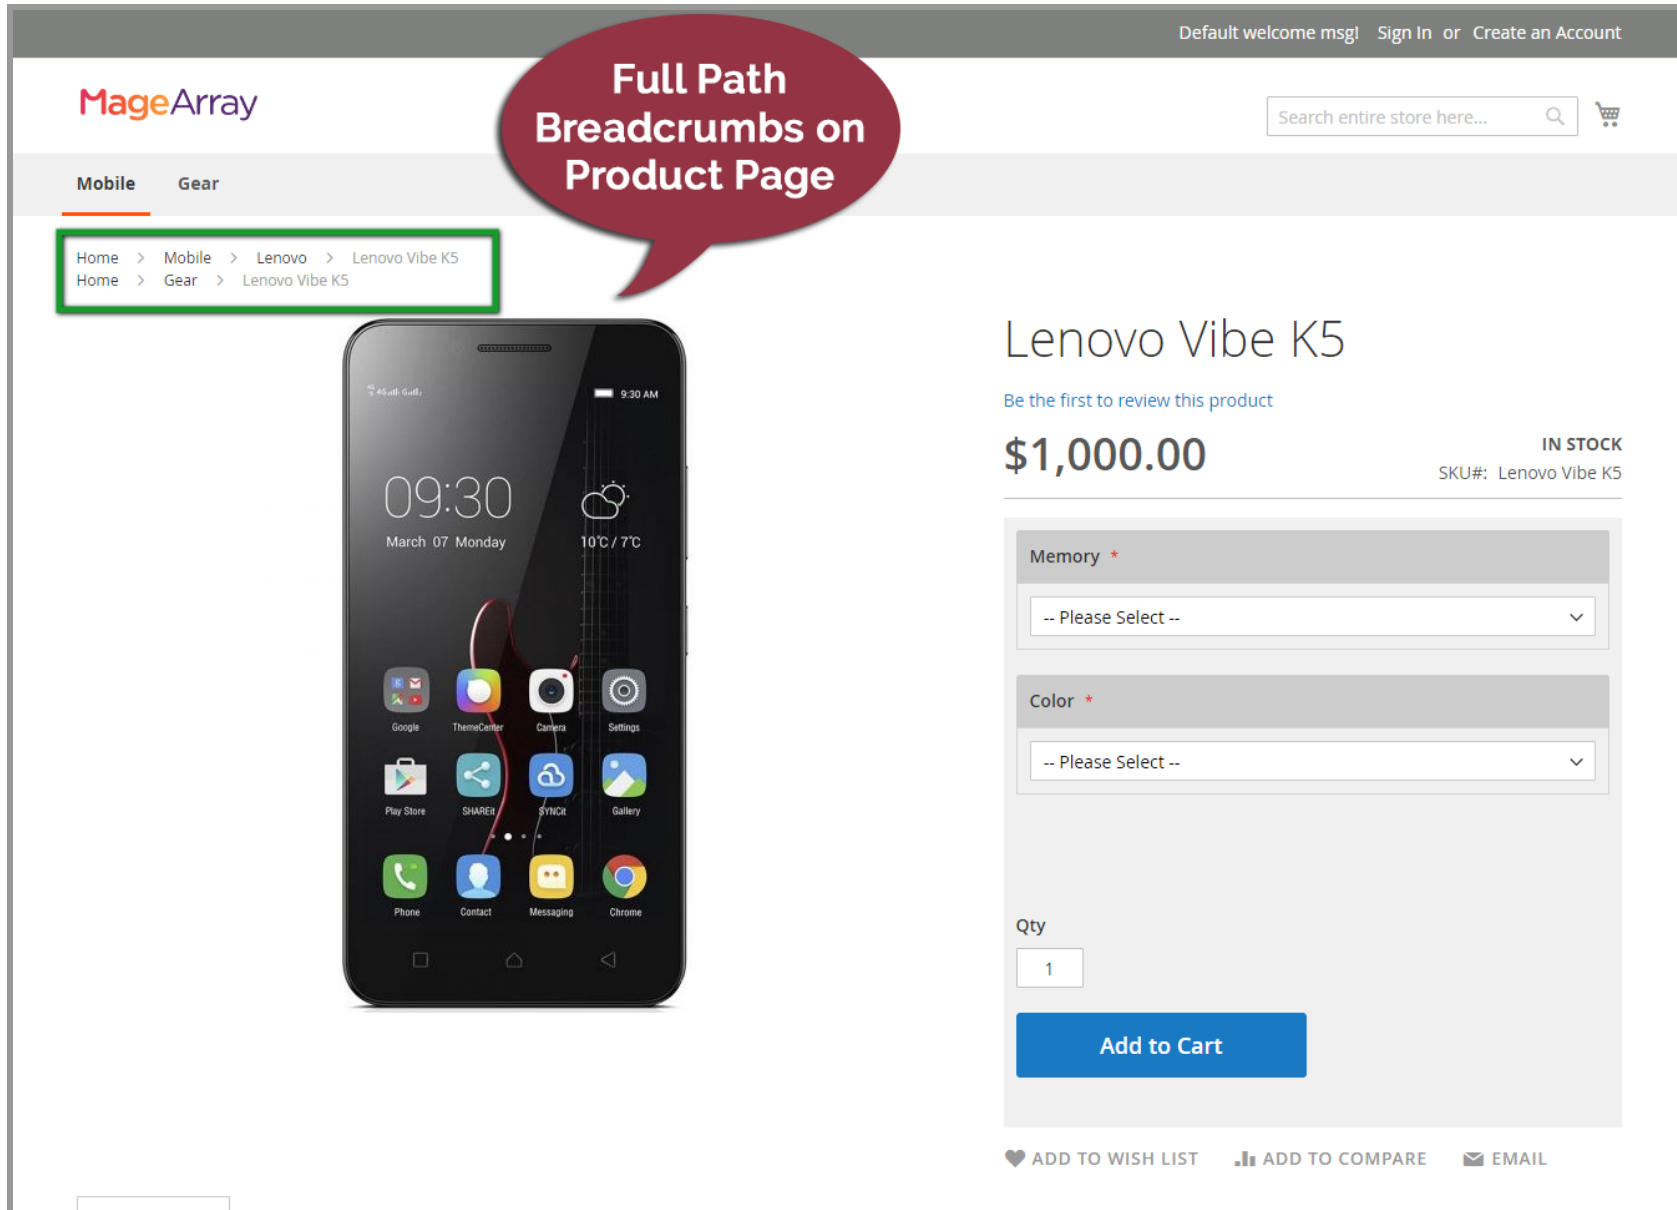

Frontend

Product Page With Drop Down Breadcrumbs

The screenshot displays a product page for 'Sprite Yoga Strap Fixed Bundle'. The breadcrumb trail is 'Home > Mobile > Sprite Yoga Strap Fixed Bundle'. A dropdown menu is open under 'Mobile', showing subcategories: Samsung, Lenovo, Vivo, and Nokia. A red speech bubble highlights the dropdown with the text 'Drop Down Breadcrumbs on Product Page'. The product price is \$14.00, and it is in stock. The page includes a search bar, a shopping cart icon, and a 'Customize and Add to Cart' button. Below the product image, there are links for 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'.

Here Current product is of Mobile category and Mobile category has four subcategories which are shows in breadcrumbs dropdown.

Product Page With Full Path Breadcrumbs

Here current product is in two categories so it shows both with full path.

Customer Account Page With Breadcrumbs

The screenshot shows a customer account page with a breadcrumb trail highlighted in green: Home > Account Dashboard > My Orders > Order # 000000098 - complete. A callout bubble points to the breadcrumb trail with the text "Breadcrumbs on Customer Account Page".

Contact Us Page With Full Path Breadcrumbs

The screenshot displays the MageArray website's contact form. At the top left is the MageArray logo. To the right is a search bar with the placeholder text "Search entire store here..." and a magnifying glass icon. Below the logo are links for "Mobile" and "Gear". A breadcrumb trail is visible, showing "Home > Contact Us", which is highlighted with a green rectangular box. The main heading of the page is "Contact Us". Below this is a section titled "Write Us" with the subtext "Jot us a note and we'll get back to you". The form includes several input fields: "Name *", "Email *", "Phone Number", and "What's on your mind? *". A blue "Submit" button is located at the bottom left of the form area. A red speech bubble with a white border is overlaid on the page, containing the text "Breadcrumbs on Contact Us Page".
