- Enable Magento Cache run command "**php bin/magento cache:enable**" using SSH from your magento root directory

### Usage

#### Admin

##### Check Delivery Configuration

To configure the Check Delivery Extension for Magento, navigate to **Stores >> Settings >> Configuration >> MageArray Extensions >> Check Delivery postcode**

The screenshot shows the Magento Admin Configuration interface. At the top, the title is "Configuration". On the right, there are search, notification (3), and user (admin) icons. Below the title bar, there is a "Store View" dropdown set to "Default Config" and a "Save Config" button. The left sidebar contains a menu with categories: GENERAL, CATALOG, MageArray Extensions (expanded), Check Delivery (selected), CUSTOMERS, SALES, DOTMAILER, SERVICES, and ADVANCED. The main content area is titled "Check delivery postcode" and contains the following configuration fields:

- Enabled** [store view]: A dropdown menu set to "Yes".
- Postcodes** [store view]: A text area containing the comma-separated list: "360003, 360040, 360545, 361110, 362001, 362140, 362152, 362220, 362222, 362228, 362246, 362257, 362726, 363655, 364210, 364215". Below the text area is the label "Comma-separated".
- Success message** [store view]: A text input field containing "Delivery Available".
- Error message** [store view]: A text input field containing "Item not available at this location, please try another".

### General Settings

- **Enabled** - Activate or Deactivate the Extension (by default it's deactivate).
- **Postcodes** - Add available postcodes by comma separated.
- **Success Message** - Add message for availability of products on given postal code.
- **Error Message** - Add message for unavailability of products on given postal code.

### Front-End

Check Delivery Availability at Product Page

You can check availability of product by checking with postal code.

Product With Availability Message

The screenshot displays the LUMA website's product page for the 'Breathe-Easy Tank'. The page layout includes a navigation bar with categories like 'What's New', 'Women', 'Men', 'Gear', 'Training', and 'Sale'. The main content area features a large image of a woman wearing the white tank top, with smaller thumbnail images below. To the right of the image, the product title 'Breathe-Easy Tank' is displayed, along with a price of '\$34.00' and a status of 'IN STOCK'. Below the price, there are options for size (XS, S, M, L, XL) and color (magenta, white, yellow). A quantity selector is set to '1', and an 'Add to Cart' button is visible. Further down, there are links for 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'. A 'Check Delivery' section is present, with a 'Postcode' field containing '364215' and a green message box stating 'Delivery Available'. A 'Check' button is located at the bottom of this section.

Product With Unavailability Message

The screenshot shows a product page for 'Breathe-Easy Tank' on the LUMA website. The page includes a navigation menu with 'Women' selected, a breadcrumb trail 'Home > Breathe-Easy Tank', and a main product image of a woman wearing the tank top. To the right of the image, the product name 'Breathe-Easy Tank' is displayed with a 4.5-star rating, 2 reviews, and a price of \$34.00. Below the price, there are options for size (XS, S, M, L, XL) and color (pink, white, yellow). A quantity selector is set to 1, and an 'Add to Cart' button is visible. Below the 'Add to Cart' button, there are links for 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'. A 'Check Delivery' section is present, with a 'Postcode' field containing '364214'. A red message box below the postcode field states: 'Item not available at this location, please try another location.' A 'Check' button is located at the bottom of the delivery section.
