Feedback from my colleague: I stayed for 3 weeks in Hotel2stay and on the last day of my staying my room was robbed, I got 3 computers, 2 company stolen, On that night I went to a business dinner and a colleague and I left the laptops in the room thinking it was safer. When we arrived the computers and all the electronic items had been stolen. I spoke with the hotel and they said they would call the police, but after a while I had to talk to them, and they told me that the police did not come because I had entered in the room. I made a report to the police and I'm still waiting for an answer. I
