- Then run commands "**php bin/magento setup:upgrade**" using SSH from your magento root directory
- Enable Magento Cache run command "**php bin/magento cache:enable**" using SSH from your magento root directory

## Usage

### Admin

#### Hide Price Configuration

To configure the Hide Price Extension for Magento, navigate to **Stores >> Settings >> Configuration >> MageArray Extensions >> Hide Price**.

The screenshot shows the Magento Admin configuration interface for the 'Hide Price' extension. The 'General Options' section is expanded, showing the following settings:

- Enabled** (store view): Yes
- Display Image** (store view): Yes
- Upload Image** (store view): Choose File (No file chosen), Delete Image (checkbox), Uploaded image will show in place of Price.
- Link URL** (store view): customer/account/login (Display Text will be linked with given URL)
- Hide By Customer Group** (store view): Yes
- Customer Group** (store view): General, Wholesale, Retailer

A green callout bubble with white text says: "System Config for Hide Price with Image Upload".

#### General Options

**Enabled** - You can Enable/Disable extension.

**Display Image** - It will allow user to select either **Upload Image** or **Display Text**.

**Upload Image** - You can upload image and it will display on Front-End in place of price.

**Display Text** - Entered text will be display on Front-End in place of price.

**Link URL** - A URL will be linked to **Display Text**.

**Hide By Customer Group** - It will Enable/Disable **Customer Group** Select box. If you select "No" It will not hide price by customer group.

**Customer Group** - You can Hide Price for particular customer group.

### Hide Price Configuration for Product

To configure the Hide Price Extension for Product ,

Step 1: navigate to **Products >> Catalog**

Step 2: Select Product for which you want to change settings

Step 3: navigate to **Hide Price** tab.

The screenshot shows the Magento Admin interface for editing a product. The page title is "Push It Messenger Bag". The top navigation bar includes a search icon, a notification bell, and a user profile labeled "admin". Below the navigation bar, there is a "Store View" dropdown set to "All Store Views" and a "Bag" dropdown. On the right, there are "Back" and "Save" buttons, and a "PRODUCT ONLINE" toggle switch. The left sidebar contains a "BASIC SETTINGS" section with tabs for "Product Details", "Images and Videos", "Search Engine Optimization", "Hide Price" (highlighted), and "Websites". Below this is an "ADVANCED SETTINGS" section. The main content area is titled "Hide Price" and contains two configuration options: "Display Price" with a "Yes" radio button, and "Display Price By Customer Group" with a dropdown menu showing "General", "Wholesale", and "Retailer". A green speech bubble with white text says "Hide Price Tab in Edit Product for Product Wise Price Hide".

- **Hide Price**- You can Hide/Show price for a product for guest user.
- **Display Price By Customer Group** - It will allow to Hide/Show price by customer group for a product.

The name says so, but the Push It Messenger Bag is much more than a busy commuter's tote. It's a closet away from home when you're pedaling from class or work to gym and back or home again. It's the perfect size and shape for laptop, folded clothes, even extra shoes.

- Adjustable crossbody strap.
- Top handle.
- Zippered interior pocket.
- Secure clip closures.
- Durable fabric construction.
