

# Customer Avatar For Magento 2

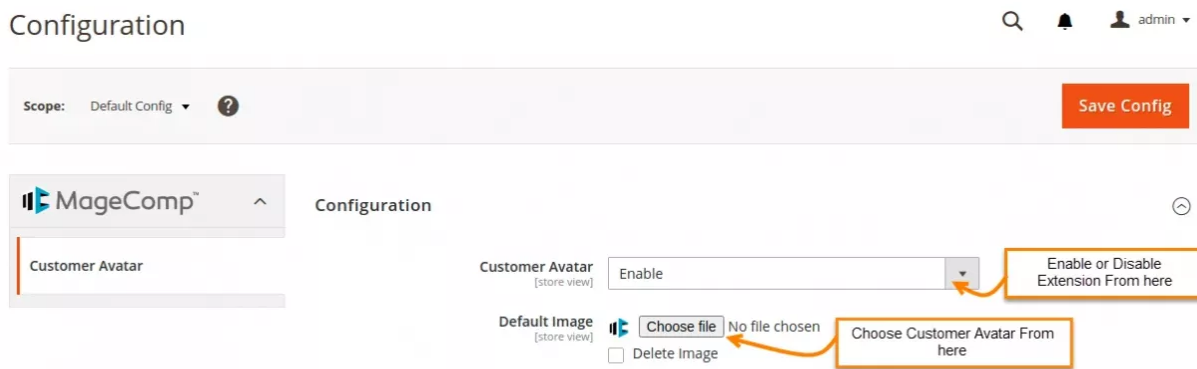

Customer Avatar Extension for Magento 2 allows customers to personify their account by uploading a profile image of their choice.

## Table of Content

1. Configuration
2. Frontend Demo of Customer Avatar

## 1. Configuration

Once the extension is installed successfully, go to **Stores>Configuration** to configure the extension for use.

**Customer Avatar:** You can easily Enable or Disable the Customer Avatar Extension from this field.

**Default Image:** You can pick the default image of the customer avatar from this field.

## 2. Frontend Demo of Customer Avatar

The customer will be asked to choose an image file as their profile image when creating a new account.
