### 4. Deactivation of Extension in Case of Emergency

- Go to **app → etc → config.php** and find '**Magecomp\_Firstdataicici**' => **1**, and replace **1** with **0**.
- If something goes wrong, please contact us at [support@magecomp.com](mailto:support@magecomp.com)
- If extension is installed using composer from Magento Marketplace, then you can disable the extension by running below command.

```
bin/magento module:disable Magecomp_Firstdataicici
```
