6. Deactivation of Extension in Case of Emergency

- Go to `app` → `etc` → `config.php` and find '`Magecomp_Hideprice`' => 1, and replace 1 with 0.

If something goes wrong, please contact us at support@magecomp.com

- If extension is installed using composer from Magento Marketplace, then you can disable the extension by running below command.

```
bin/magento module:disable Magecomp_Hideprice
```
