

# Partial Payment - Magento 2

---

INSTALLATION GUIDE

MAGEDELIGHT.COM

## Installation:

Before installing the extension, please make below notes complete:

- Backup your web directory and store database.

## Partial Payment Installation:

- Unzip the extension package file into the root folder of your Magento 2 installation.
- If you are using Magento 2.2 or above version then please follow the below steps:
  - Go to folder “**patch**” -> **2.2.X** -> copy all files from it
  - Then overwrite (Paste) all the files in installed extension’s “app” folder
- Connect to SSH console of your server:
  - Navigate to root folder of your Magento 2 setup
  - Run command  

```
php -f bin/magento module:enable Magedelight_Partialpayment
```
  - Run command  

```
php -f bin/magento setup:upgrade
```
  - Run command  

```
php -f bin/magento setup:static-content:deploy
```

Flush store cache; log out from the backend and log in again
