Overview

The Save Shopping Cart extension will allow your customers to save their shopping carts for later or to duplicate previous orders. Add products to the shopping cart and select the "Save Shopping Cart" button. Customer will be able to save shopping cart on Minicart popup or on Shopping Cart page.

Carts can be viewed and accessed from the "Customer Accounts" page by selecting the "Saved Shopping Carts" link in the "My Account" navigation.

Administration

Save Shopping Cart introduces its sections under **Sales > Save Cart** menu. The extension comes with 2 sections:

- **View Carts** - allows administrator to manage saved cart
- **Configuration** - allows administrator to setup the module

Manage Carts

Navigate to **Sales > Save Cart > View Carts** section.

Saved Carts
