

# Multi Fees Extension for Magento 2

USER GUIDE

**mageworx**

---

## About the Extension

Multi fees extension for Magento 2 provides you with a set of tools to **increase the average order value** and **save on billing and shipping** expenses.

You can offer your customers a selection of extra services/products (e.g. gift wrap, warranty, paid support, etc.) right on the shopping cart page, as well as suggest them to share your payment processing and shipping expenses.
