

Rich Snippets Extension for Magento 2

USER GUIDE

mageworx

About the Extension

Create eye-candy page descriptions that stand out from the competition and trigger higher click-through-rate.

Attract shoppers attention with informative and detailed search results. Gather more visibility with social media markups.

The extension is a part of [SEO Suite Ultimate for Magento 2](#). Get a complete toolkit to make your store pages search engines' favorites. Optimize linking site architecture, page content, URLs, meta data; generate advanced XML/HTML sitemaps, weed out duplicate content issues, and a lot more.

* [Contact us](#) for more info on how to upgrade.
