USER GUIDE

SEO Suite Ultimate
extension for Magento 2

mageworx.com

support@mageworx.com

About the extension

The SEO Suite Ultimate extension is designed to make your Magento-based store search engine friendly and improve its performance in the search results.

With this SEO toolkit, you can quickly optimize large volumes of metadata for the product, category, CMS, and landing pages. You can eliminate duplicate content issues, set redirects, quickly generate HTML and XML sitemaps, implement hreflang tags, build a well-planned internal linking structure, and a lot more!
