USER GUIDE

SEO Meta Templates
extension for Magento 2

mageworx.com

support@mageworx.com

About the extension

Quickly create and optimize a massive amount of metadata and optimize product and category descriptions.

With the help of over 10 SEO meta templates, you can savvily apply various attributes and make your store pages informative and search engine friendly.

The extension is a part of [SEO Suite Ultimate](#). Get a complete toolkit to make your store pages search engines' favorites. Optimize page content, URLs, and metadata; generate advanced XML/HTML sitemaps, weed out duplicate content issues, and more.
