

FASTWAY COURIERS

Reference Manual

Installation

Please refer to the Installation Guide on how to install Fastway Couriers extension on your Magento 2.x store.

Configuration

Please refer to the User Guide on how to configure and use the Fastway Couriers extension.

Support

If you have any issue with the extension, please contact us at support@magextensions.com.au.

Please provide the following information so that we can check the issue:

- Site's URL
- Admin URL
- Admin username and password
- FTP host, port, username and password

Licence

This extension requires a valid licence key to work. Your Licence Key will be created automatically after completing your order.

To get your Licence Key:

- Login to your account on MageXtensions:
<https://magextensions.com.au/customer/account/login/>
- Click on 'My Licence Keys' from the left menu

Each licence key is valid for the number of licence purchased. You can manage the activations from the 'My Licence Keys' page.
