

Cart2Cart

automated shopping cart migration

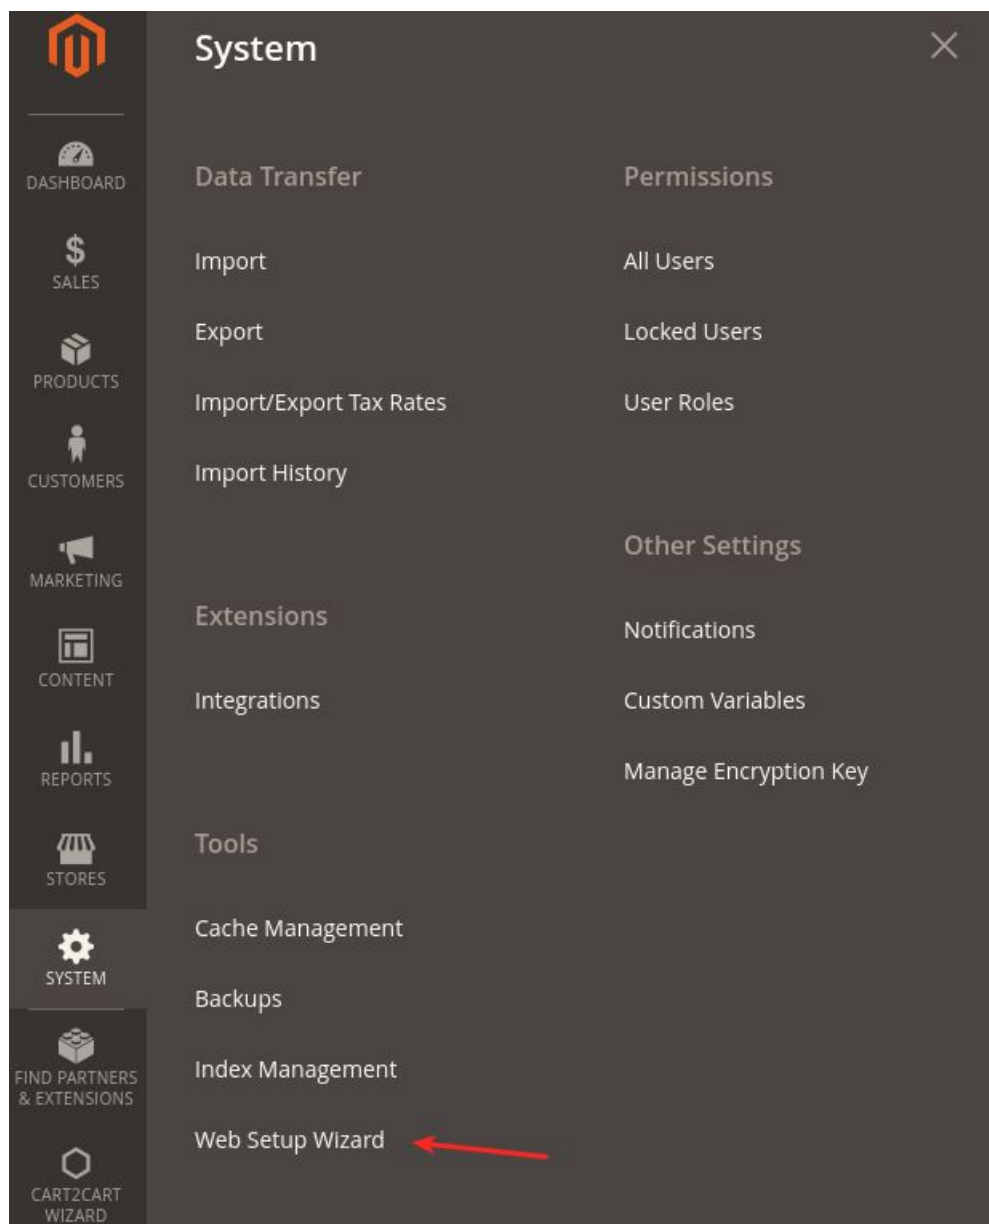

How to install Cart2Cart M2 Upgrade module on Magento 2?

1. Add to cart and check out with free Cart2Cart **Migration from OpenCart** extension on Magento Marketplace

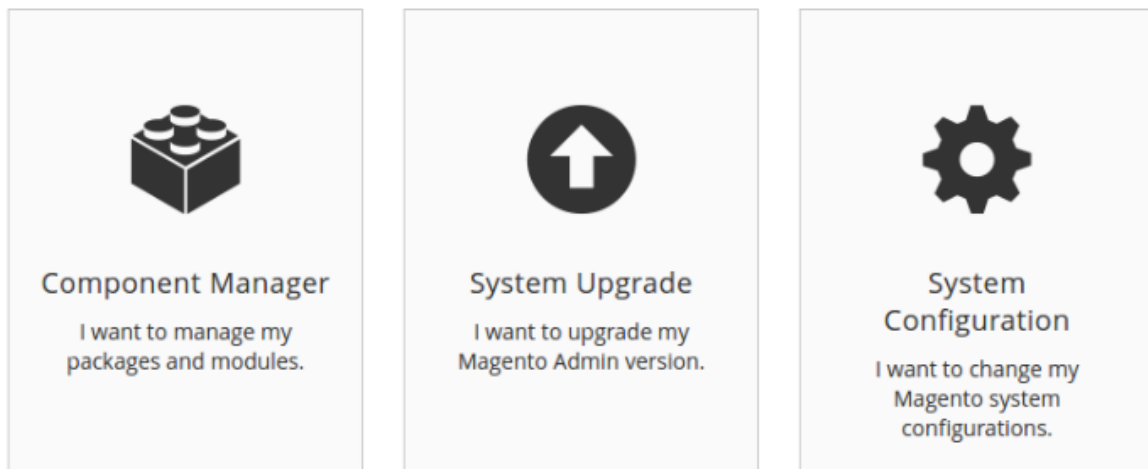

2. Login to Magento 2 admin panel.

3. Step to **System->Web Wizard Setup**

4. Open **Component Manager**

Welcome to the Magento Setup Tool. Please choose a task below.

5. Press **Sign in** to sync your Magento Marketplace purchases

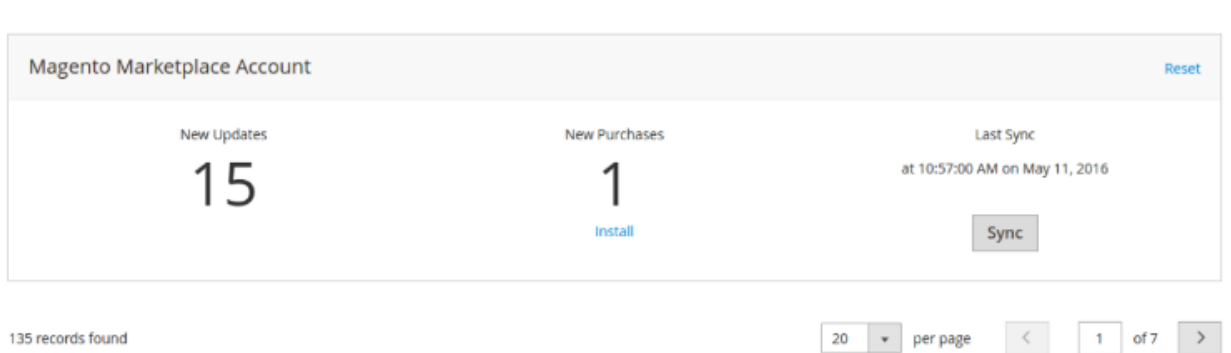

6. Paste your **Public Access Key** and **Private Access Key**, to find them

1. Log in to Magento Marketplace
2. Choose Marketplace tab and open My Access Key.
3. Then, open Magento 2 tab and copy the needed accesses. If you don't have an Access Key yet, create a new one.

7. Click the **Sync** button

8. When the procedure is done, you'll see all your **New Updates** and **New Purchases** (one of which is Cart2Cart plugin)

9. Press Install underneath the number of **New Purchases**

10. Afterwards, launch the three extension installation stages (**Readiness Check, Create Back Up, Component Install**) one by one.

In case an error occurs during **Readiness Check** - make sure your [cron jobs](#) are set up properly.

New Purchases

Step 1: Readiness Check

Let's check your environment for the correct PHP version, PHP extensions, file permissions and compatibility.

[Start Readiness Check](#)

How to use the plugin once it is installed?

1. If your Cart2Cart installation were done properly, you should see the Cart2Cart Wizard menu on the bottom of the page - open it.
2. Log in to your Cart2Cart account if you are registered. If not - create one, or use your Facebook (Google Plus) account.
3. Press the **Start Demo Migration** button
4. Provide your OpenCart store URL, download the [Connection Bridge](#), , unzip and upload it to your current OpenCart store root folder.
5. For your new Magento store, simply press “**Install Connection Bridge**” button.
6. Choose entities you wish to migrate and, optionally, some additional options to expand your migration possibilities.
7. Launch free **Demo Migration**, and a limited number of entities will be moved to your new live Magento store in 30 minutes.
8. Once the procedure is done, select Migration Insurance Plan, if needed. After that launch **Full Migration** by clicking on “**Start Migration**” button.
9. Afterwards, you'll get redirected to Cart2Cart's official website to complete the payment and finish the transfer.
