3. Contactless Delivery in Frontend

Once the required configurations are done, customers can see Contactless delivery availability on the product page so they can opt it on the checkout page.

The screenshot displays a product page for 'Aviators' sunglasses. At the top, a navigation bar includes the LUMA logo, a search bar, and a shopping cart icon. A red box highlights a message: 'Contactless delivery availability message on product page'. The product is listed as 'Aviators' with a price of '\$99.00' and a status of 'IN STOCK'. Below the product image, there is a quantity selector set to '1' and an 'Add to Cart' button. Further down, there are links for 'ADD TO WISH LIST', 'ADD TO COMPARE', and 'EMAIL'. A red box highlights a message: 'Contactless delivery available. The delivery agent will leave the order on the clean surface in front of your door.'

- **Contactless Delivery Opt-in on Checkout Page**

After adding products to the shopping cart, on the checkout page, customers can see contactless delivery opt-in checkbox. Customers have to select to get contactless order delivery and they can enter additional instructions for the delivery.
