1. Extension Installation

- Find the Composer name and version of the extension in the extension's composer.json file.
- Login to your SSH and run:
 - `composer require meetanshi/magento-2-pay-with-specta`
- Enter your [authentication keys](#). Your public key is your username; your private key is your password.
- Wait for Composer to finish updating your project dependencies and make sure there aren't any errors.
- To verify that the extension installed properly, run the command:
 - `php bin/magento module:status Meetanshi_Specta`
- By default, the extension is probably disabled.
- Enable the extension and clear static view files:
 - `php bin/magento module:enable Meetanshi_Specta --clear-static-content`
 - `php bin/magento setup:upgrade`
 - For Magento version 2.0.x to 2.1.x - `php bin/magento setup:static-content:deploy`
 - For Magento version 2.2.x & above - `php bin/magento setup:static-content:deploy -f`
 - `php bin/magento cache:flush`

2. Configuration

3. Specta Payment Method in Frontend

Once the extension is configured, the Specta payment method can be seen enabled in the frontend. Simply add products to cart and go to the checkout, select the payment method, click "Place Order" button to get redirected to the Specta hosted payment page to complete the payment and place order successfully.

The screenshot shows the LUMA checkout page. At the top, there is a navigation bar with the LUMA logo, a search bar, and a shopping cart icon with '200' items. Below the navigation bar, there is a progress indicator with two steps: 'Shipping' (completed) and 'Review & Payments' (current step). The main content area is divided into two columns. The left column is titled 'Payment Method' and shows two options: 'Check / Money order' (unselected) and 'Specta' (selected). Below the 'Specta' option, there is a checkbox for 'My billing and shipping address are the same' which is checked. The shipping address is listed as John Doe, 15407 Broadway, Gardena, California 90248, United States, 3107682099. A red box highlights the address information with the text 'Additional information added from the backend configuration shown here'. Below the address, there is a note: 'You will be redirected to Specta Hosted payment gateway.' The right column is titled 'Order Summary' and shows the following items: Cart Subtotal (NGN 20,000.00), Shipping Flat Rate - Fixed (NGN 1,000.00), and Order Total (NGN 21,000.00). Below the order summary, there is a 'Ship To:' section with the same shipping address as above. A red box highlights the 'Continue to Payment' button with the text 'Click to get redirected to the hosted payment page and complete the payment'.

- **Specta Tenor Selection**

The user is asked to select the repayment tenor in months and click to confirm the order.

The screenshot shows the Specta checkout interface. At the top, there is a purple banner with the Specta logo. Below the banner, the text "Welcome back" is displayed next to a blurred user profile picture. A table summarizes the cart contents:

Cart Amount	Total
₹21,000.00	₹21,000.00
Sub-Total:	₹21,000.00
Total:	₹21,000.00

Below the table, there is a dropdown menu for "Choose Repayment Tenor (Months)". A red box highlights the text "Chose repayment tenor in months" with an arrow pointing to the dropdown. The dropdown menu is open, showing the following options:

- Choose Repayment Tenor
- 7 months
- 8 months
- 9 months
- 10 months
- 11 months
- 12 months

To the right of the dropdown is a purple button labeled "CONFIRM ORDER". A red box highlights the text "Click to confirm the order" with an arrow pointing to the "CONFIRM ORDER" button.

- **Specta Payment Terms and Conditions**

The user has to agree to the payment terms and conditions after checking the payment details and click on “Pay with Specta – Pay in Installments” button to proceed further.
