

Free Shipping Bar for Magento 2

User Guide

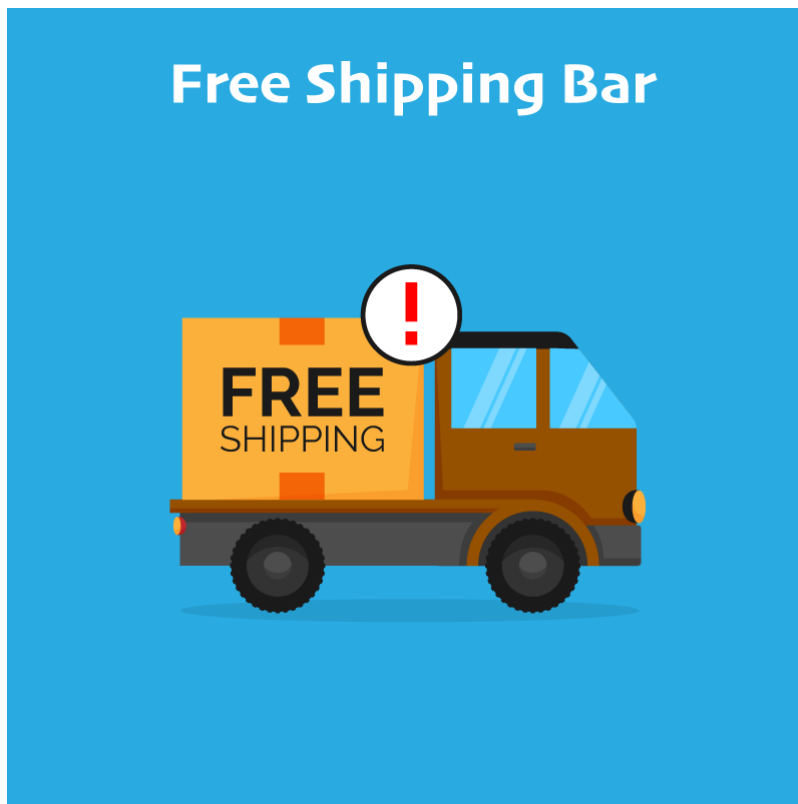

Table of Content

1. [Extension Installation](#)
2. [Configuration](#)
3. [Shipping Bar Design Settings](#)
4. [Free Shipping Bar in Frontend](#)

1. Extension Installation

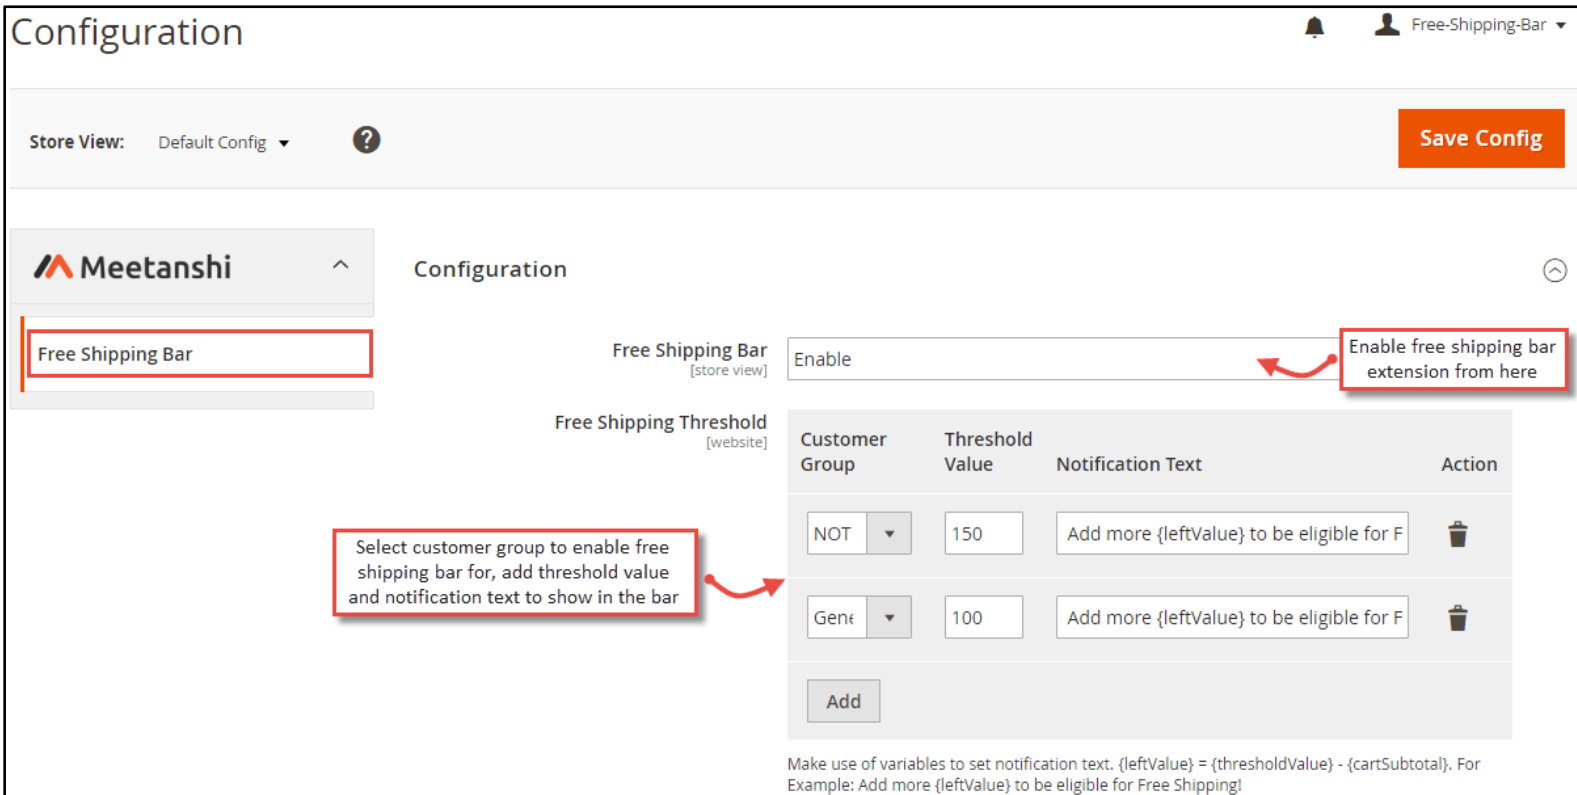

- Extract the zip folder and upload our extension to the root of your Magento 2 directory via FTP.
- Login to your SSH and run below commands step by step:
 - php bin/magento setup:upgrade
 - For Magento version 2.0.x to 2.1.x - php bin/magento setup:static-content:deploy
 - For Magento version 2.2.x & above - php bin/magento setup:static-content:deploy -f
 - php bin/magento cache:flush
- That's it.

2. Configuration

For configuring the extension, login to Magento 2, move to **Stores → Configuration → Free Shipping Bar** where you can find various settings to enable the extension.

- **Free Shipping Bar:** Enable Free Shipping Bar extension from here.
- **Free Shipping Threshold:** Select the customer group to enable the free shipping bar for, set the threshold value and notification text to show in the bar.

Example: If you have set customer group as “Not logged in”, threshold value= 150 and notification text as “Add more {leftvalue} to be eligible for Free Shipping”, when users visit your site without logging in, they will notified with “Add more \$150 to be eligible for Free Shipping” message in the bar.

Free Shipping Bar

Free Shipping Bar [store view] Enable

Free Shipping Threshold [website]

Customer Group	Threshold Value	Notification Text	Action
NOT	150	Add more {leftValue} to be eligible for F	
Gen	100	Add more {leftValue} to be eligible for F	

Add

Make use of variables to set notification text. {leftValue} = {thresholdValue} - {cartSubtotal}. For Example: Add more {leftValue} to be eligible for Free Shipping!

- **Free Shipping Availability Success Message:** Enter the free shipping availability success message. It will be shown when an order qualifies with the threshold value and eligible for free shipping.
- **Bar Position:** Select the bar position from the drop-down menu.
- **Stick Shipping Bar:** Enable from the dropdown menu to stick the shipping bar on the top or bottom of the page.
- **Close button:** Set “YES” to allow users to close the bar from frontend.
- **Calculate Subtotal:** Select how you want to calculate subtotal.
- **Display bar In:** Select where you want to show free shipping bar from desktop, mobile or both.
- **Display on pages:** Select pages to display free shipping bar on.

Free Shipping Availability Success Message <small>[store view]</small>	<input type="text" value="Congratulation! Your order is now eligible for FREE Shipping!"/>	Enter free shipping bar availability success message

Custom CSS <small>[store view]</small>	<input type="text" value="font-style: Italic; font-family: Bitter"/>	Add custom CSS if required

4. Free Shipping Bar in Frontend

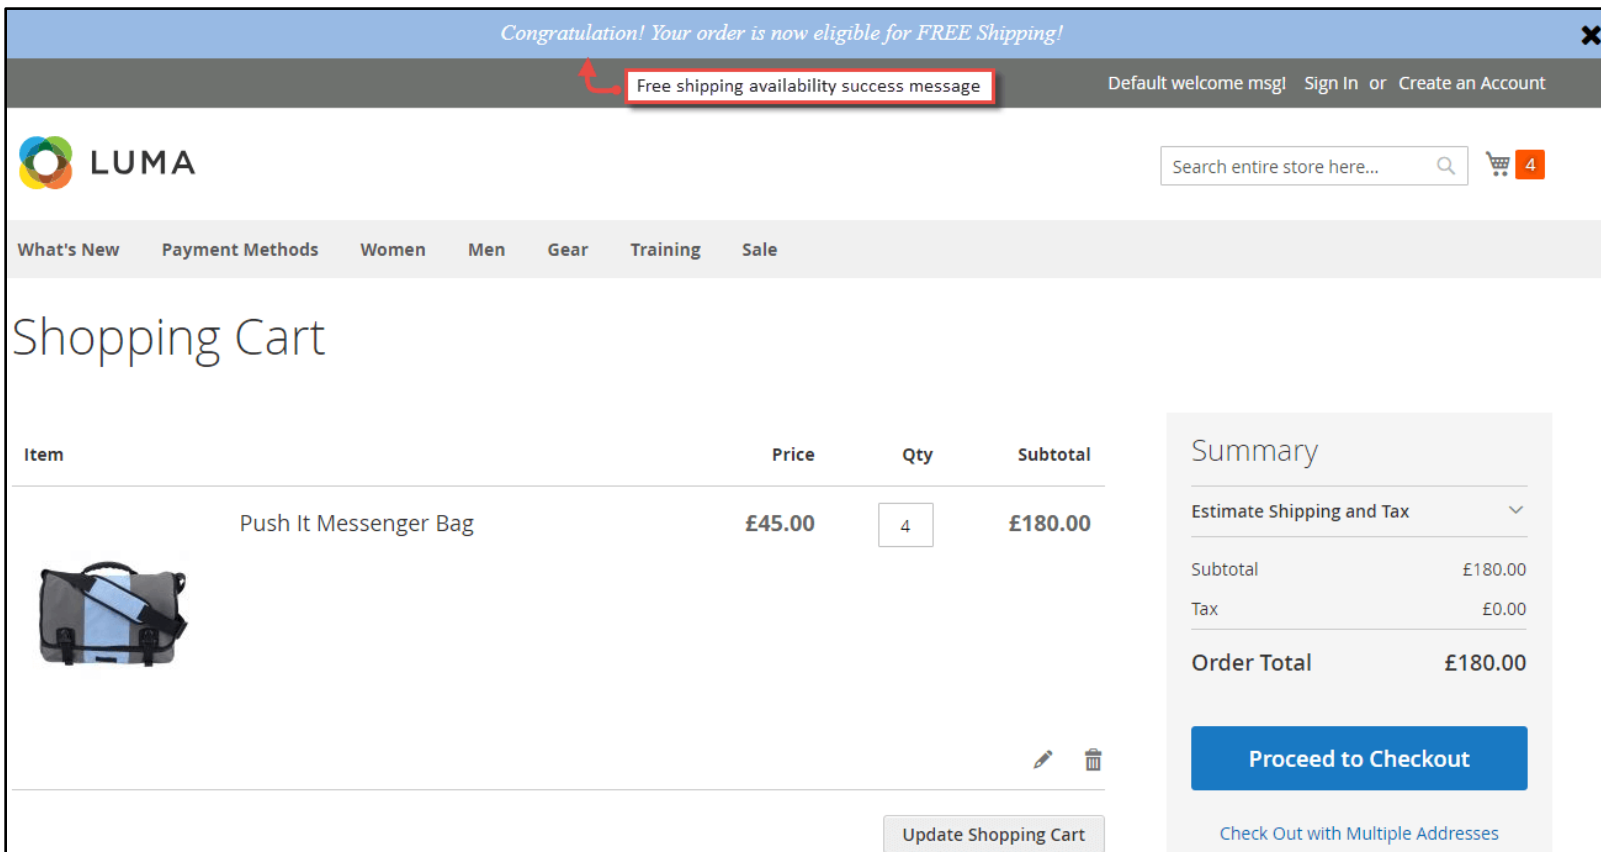

Once you configure the above settings, the Free Shipping Bar will be enabled in the frontend as shown below. The message will be displayed that states the items worth what amount to be added to the cart to avail free shipping. If the bar is not useful to the visitor, it can be closed too.

The screenshot displays the LUMA eCommerce storefront. At the top, a blue notification bar reads "Add more £105 to be eligible for Free Shipping!". A red box highlights this bar with the text "Free shipping bar in home page with notification message". To the right of the bar, a close button (an 'X' icon) is highlighted with a red box and the text "Close button enabled in free shipping bar". Below the notification bar, the site header includes the LUMA logo, a search bar with the placeholder "Search entire store here...", and a shopping cart icon with a "1" item count. The navigation menu contains links for "What's New", "Payment Methods", "Women", "Men", "Gear", "Training", and "Sale". A green notification banner states "You added Push It Messenger Bag to your shopping cart." The main content area features a large blue banner with a woman in a yellow yoga top. To the right of the woman, the text reads "New Luma Yoga Collection" and "Get fit and look fab in new seasonal styles", with a blue "Shop New Yoga" button below.

- **Free Shipping Availability Success Message**

The free shipping availability success message will be displayed in the bar once the cart is eligible for free shipping. An example is shown in the image below:

The screenshot shows a Magento 2 shopping cart interface. At the top, a blue notification bar displays the message: "Congratulation! Your order is now eligible for FREE Shipping!". Below this, a red-bordered box highlights the text "Free shipping availability success message". The cart contains one item: "Push It Messenger Bag" with a price of £45.00 and a quantity of 4, resulting in a subtotal of £180.00. The right sidebar shows a "Summary" section with "Subtotal" at £180.00, "Tax" at £0.00, and "Order Total" at £180.00. A "Proceed to Checkout" button is visible. The LUMA logo and navigation menu are also present.

Congratulation! Your order is now eligible for FREE Shipping!
