3. [Limit Cart Quantity in Frontend](#)

1. Extension Installation

- Create a folder structure in Magento root as app/code/Meetanshi/RestrictQuantity
- Download and extract the zip folder and upload our extension files to the app/code/Meetanshi/RestrictQuantity via FTP.
- Login to your SSH and run below commands step by step:
 - php bin/magento setup:upgrade
 - For Magento version 2.0.x to 2.1.x - php bin/magento setup:static-content:deploy
 - For Magento version 2.2.x & above - php bin/magento setup:static-content:deploy -f
 - php bin/magento cache:flush

2. Configuration

To configure the extension, login to Magento 2 backend, move to **Stores → Configuration → Limit Cart Quantity** where you can find various settings to configure the extension.

- **Limit Cart Quantity:** Enable the limit cart quantity extension from here.
- **Minimum Quantity Allowed:** Select the customer group from the dropdown and the minimum quantity allowed for respective customer group.
- **Alert Message for Minimum Cart Quantity:** Enter the alert message to be displayed in frontend when the minimum cart quantity threshold value is exceeded.
- **Maximum Quantity Allowed:** Select the customer group from the dropdown and the maximum quantity allowed for respective customer group.
- **Alert Message for Maximum Cart Quantity:** Enter the alert message to be displayed in frontend when the maximum cart quantity threshold value is not reached.

The alert message to be displayed in frontend when the maximum cart quantity condition is not satisfied

3. Limit Cart Quantity in Frontend

Once the settings are configured, the Limit Cart Quantity form is enabled in the frontend.

- **Alert Message for Minimum Cart Quantity**

When a customer places an order that does not contain minimum quantity in the cart required to place the order for his customer group, an alert message is displayed set from the backend.

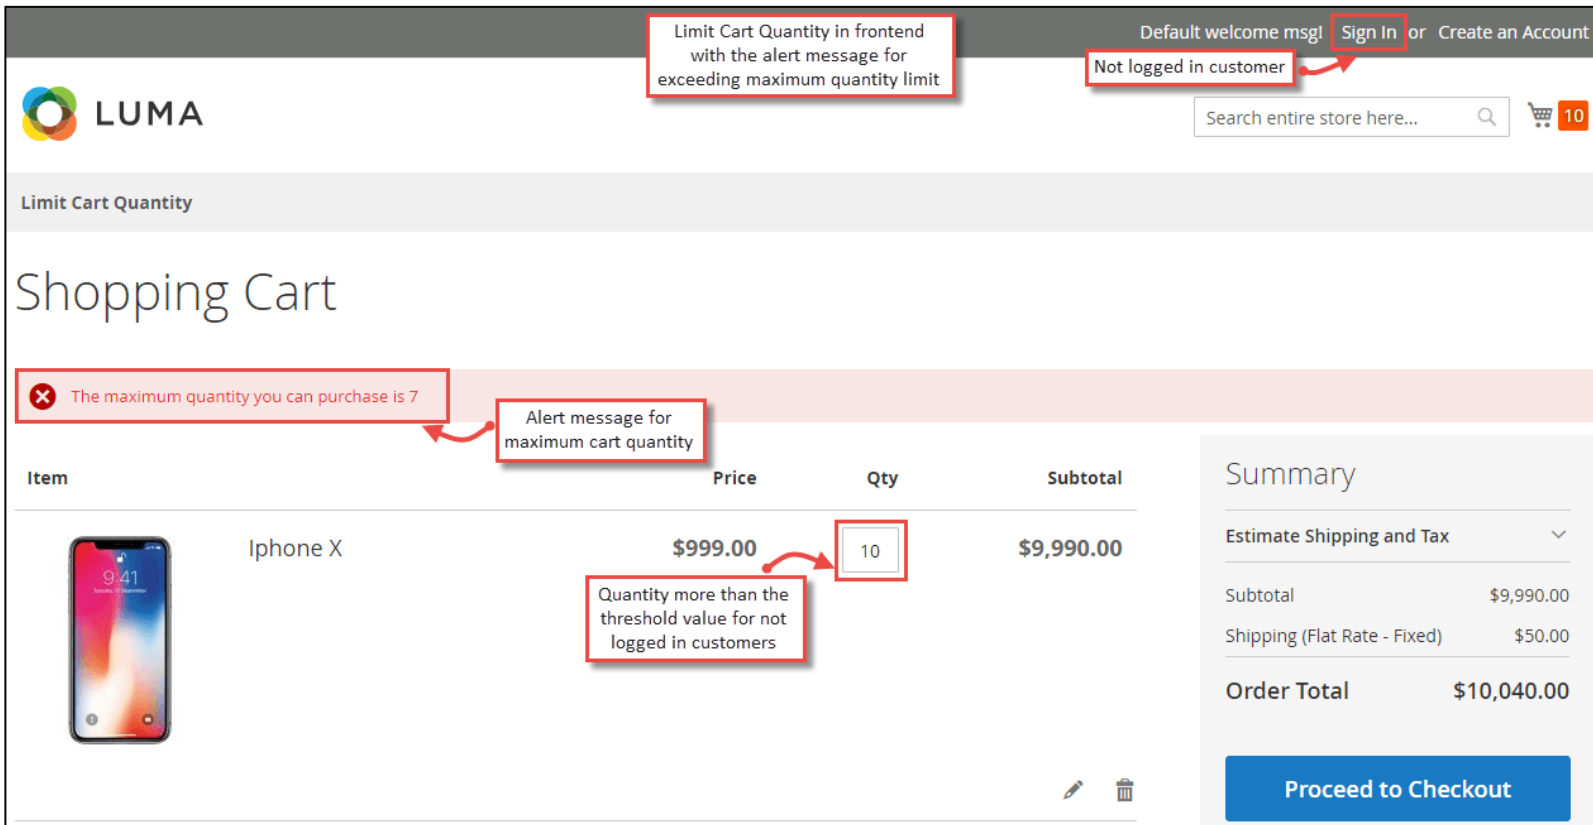

The screenshot shows a shopping cart interface for 'LUMA'. At the top, there are navigation links for 'Sign In' and 'Create an Account', and a search bar. A red box highlights the 'Sign In' link with the text 'Not logged in customer'. Below the navigation, the page title is 'Limit Cart Quantity' and 'Shopping Cart'. A red alert message at the top of the cart area states: 'The minimum quantity you have to purchase is 3'. A red box highlights this message with the text 'Alert message for minimum cart quantity'. The cart table contains one item: 'Iphone X' with a price of '\$999.00' and a quantity of '1'. A red box highlights the quantity '1' with the text 'Quantity less than the threshold value for not logged in customers'. The 'Subtotal' for the item is '\$999.00'. On the right side, there is a 'Summary' section with a 'Proceed to Checkout' button.

Item	Price	Qty	Subtotal
 Iphone X	\$999.00	1	\$999.00

Summary	
Estimate Shipping and Tax	▼
Subtotal	\$999.00
Shipping (Flat Rate - Fixed)	\$5.00
Order Total	\$1,004.00

- **Alert Message for Maximum Cart Quantity**
When the cart quantity exceeds the maximum allowed quantity for particular customer group, an alert message is displayed in the frontend as shown in the image.

The screenshot shows a shopping cart page for 'LUMA'. At the top, there is a navigation bar with 'Sign In' and 'Create an Account' links. A search bar and a shopping cart icon with '10' items are also present. The main heading is 'Shopping Cart'. A red alert message at the top of the cart area states: 'The maximum quantity you can purchase is 7'. Below this, a table lists the items in the cart. The first item is 'Iphone X' with a price of '\$999.00' and a quantity of '10'. A red box highlights the quantity '10' and an annotation points to it with the text: 'Quantity more than the threshold value for not logged in customers'. Another annotation points to the alert message with the text: 'Alert message for maximum cart quantity'. A third annotation points to the top of the page with the text: 'Limit Cart Quantity in frontend with the alert message for exceeding maximum quantity limit'. On the right side, there is a 'Summary' section showing 'Subtotal: \$9,990.00', 'Shipping (Flat Rate - Fixed): \$50.00', and 'Order Total: \$10,040.00'. A blue button labeled 'Proceed to Checkout' is at the bottom right.

Item	Price	Qty	Subtotal
 Iphone X	\$999.00	10	\$9,990.00

Summary

Estimate Shipping and Tax	▼
Subtotal	\$9,990.00
Shipping (Flat Rate - Fixed)	\$50.00
Order Total	\$10,040.00
