6. Product Testimonial in Frontend

Once the extension is configured, the testimonial page and tab are seen on the frontend.

- **Testimonial page**

Find the URL of the testimonial page either from top link or in footer. Once you click the URL, you can see all the testimonials listed together with the customer name, product name, photo and summarized review details.

The screenshot displays the LUMA storefront with the following elements:

- Header:** Includes the LUMA logo, a search bar with the text "Search entire store here...", and navigation links: "Default welcome msg!", "Testimonial" (highlighted with a red box and an arrow pointing to the testimonial page URL in the top link), "Sign In", and "or Create an Account".
- Quantity Dropdown:** A grey bar with the text "Quantity Dropdown".
- Section Header:** "See What Our Customers Have to Say!"
- Testimonial 1:** Features a circular profile picture of Jane Doe, a 5-star rating, and a quote: "Product Name : Demo Product. Amazing time piece, would recommend at this price..".
- Testimonial 2:** Features a circular profile picture of John Doe, a 5-star rating, and a quote: "Product Name : Demo Product. The best watch at this price. Working without any issue. Loved the dial..".
- Footer:** Contains links for "Privacy and Cookie Policy", "Search Terms", "Orders and Returns", "Contact Us", and "Advanced Search". The "Testimonial" link is highlighted with a red box and an arrow pointing to the testimonial page URL in the footer. A "Subscribe" button is also present with the text "Enter your email address".

- **Testimonial Tab in Product View Page**

Product specific testimonials can be seen in a tab named testimonials in the product page. The slider auto slides if enabled and shows customer reviews for the product one by one.

- **Testimonial Submission Form**

From the testimonial tab in the product page, clicking Submit Testimonial button will open a form to add personal details and submit the testimonial. Customers have to add their name, Email ID and summary of the review, provide star ratings and agree to privacy policy prior the form submission.

The screenshot shows a modal form titled "Submit Product Testimonial" with a close button (X) in the top right corner. The form contains the following fields and elements:

- Name ***: Text input field containing "Jimmy Doe".
- Email ***: Text input field containing "jimmydoe@gmail.com".
- Testimonial/Whats your mind ***: Text area containing "Worth buying, durable with stunning dial."
- Your Rating**: Five yellow stars.
- Upload your Picture ***: File upload section with a "Choose File" button, a file name "jimmy_doe.jpg", and an "Upload image" button. A red box highlights the "Upload image" button with the text "Upload image".
- Agreement**: A checked checkbox followed by the text "I agree to [Privacy Policy](#)". A red box highlights this text with the text "Agree to privacy policy and click to submit the testimonial".
- SUBMIT**: A blue button at the bottom right.

Annotations in red boxes and arrows point from the text boxes to the corresponding form elements: "Enter personal details, review summary and provide star ratings" points to the Name, Email, and Testimonial fields; "Upload image" points to the Upload image button; "Agree to privacy policy and click to submit the testimonial" points to the Privacy Policy checkbox and the SUBMIT button.

7. Manage Product Testimonials from Backend
