

# Home Tabs for Magento 2 User Guide

## Introduction

Some customers have just a general idea of what they want and they need a bit of help to make a decision. With our Home Tabs extension you will be able to show exactly what you offer and display your products in the most presentable way. Use the tabs Most Viewed, Top Rated, Most Reviewed, Top Wishful, and Random to draw your users' attention to your products and help them in making their choice.

## Installation

1. Unpack the zip file provided into the root folder of your Magento 2 installation.
2. From a command line run:

```
bin/magento module:enable Neklo_Core  
bin/magento module:enable Neklo_HomeTabs  
bin/magento setup:upgrade  
bin/magento setup:static-content:deploy
```

## Magento compatibility

Community Edition 2.1.x, 2.2.x

Enterprise Edition 2.1.x, 2.2.x

## How to configure the extension

To configure the extension, log into your **Admin Panel** and go to **Stores > Settings > Configuration > Neklo Tab > Home Tabs**. You will see several tabs with various settings. The tab **General**:

1. **Enable extension** turns it on and off
2. **Home page position** regulates the place of the tab displaying on the home page. It may be on the top or at the bottom.
3. **Block Label** is the possible title of the tabs line on the frontend you may adjust.

All the tabs display different things:

1. **Most viewed** displays the products that are the most often viewed by the customers
2. **Most rated** are the products that get rated more often than other
3. **Most reviewed** are the products with the biggest amount of reviews
4. **Wishful** are the products that the clients add to their wish lists more often than other
5. **Random** displays random products

The screenshot shows the 'Configuration' page in the Neklo Admin Panel. The left sidebar contains navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, System, and Find Partners & Extensions. The main content area is titled 'Configuration' and includes a search icon, a notification bell, and a user profile 'admin'. Below the title, there is a 'Store View' dropdown set to 'Default Config' and a 'Save Config' button. The 'GENERAL' tab is selected, and the 'NEKLO' section is expanded to show 'Home Tabs'. The 'Home Tabs' section is active, displaying settings for 'General', 'Most viewed', 'Most rated', and 'Most reviewed'. The 'General' settings include 'Enable extension' (Yes), 'Home page position' (Top), and 'Block Label' (NEKLO TEST). The 'Most viewed' settings include 'Show' (Yes), 'Label' (Most Viewed), and 'Count' (6). The 'Most rated' and 'Most reviewed' sections are currently empty.
