

OIS Bizcraft Payment Gateway Magento 2

Installation	2
Merchant Configuration	2
Frontend Functionality	3
Support	6

Installation

Install the module using Composer

Step 1:

Place an order for the module through Magento Marketplace

Step 2:

Open the terminal and run below command

```
composer require oisbizcraft/oispayment
```

NOTE: If you are using composer for the first time, or if you see a Composer error, make sure you've saved your auth key.

Step 3

Setup the module using below commands

```
php bin/magento setup:upgrade  
php bin/magento cache:flush
```

If you are running Magento in production mode, also apply below two commands

```
php bin/magento setup:di:compile  
php bin/magento setup:static-content:deploy
```

Install the module Manually

Step 1

Unzip the extension package file into the root folder of your Magento 2 installation.

Step 2

Setup the module using below commands

```
php bin/magento setup:upgrade
php bin/magento cache:flush
```

If you are running Magento in production mode, also apply below two commands

```
php bin/magento setup:di:compile
php bin/magento setup:static-content:deploy
```

Merchant Configuration

After successful installation of OIS Bizcraft Payment Gateway extension, configure the plugin with your merchant details as assigned by OIS Bizcraft.

Step 1: Go to, Stores > Configuration > Sales > Payment Methods > OIS Bizcraft Payment
OIS Bizcraft Payment Gateway – Magento 2

The screenshot shows the Magento 2 Configuration page for the OIS Bizcraft Payment Gateway. The page is titled "Configuration" and has a "Save Config" button in the top right corner. The left sidebar contains navigation options: Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Tools, System, and Find Partners & Extensions. The main content area is divided into sections: "ADVANCED" (selected), "PULCHRO GROUP", and "OIS Bizcraft Payment". The "OIS Bizcraft Payment" section contains the following fields:

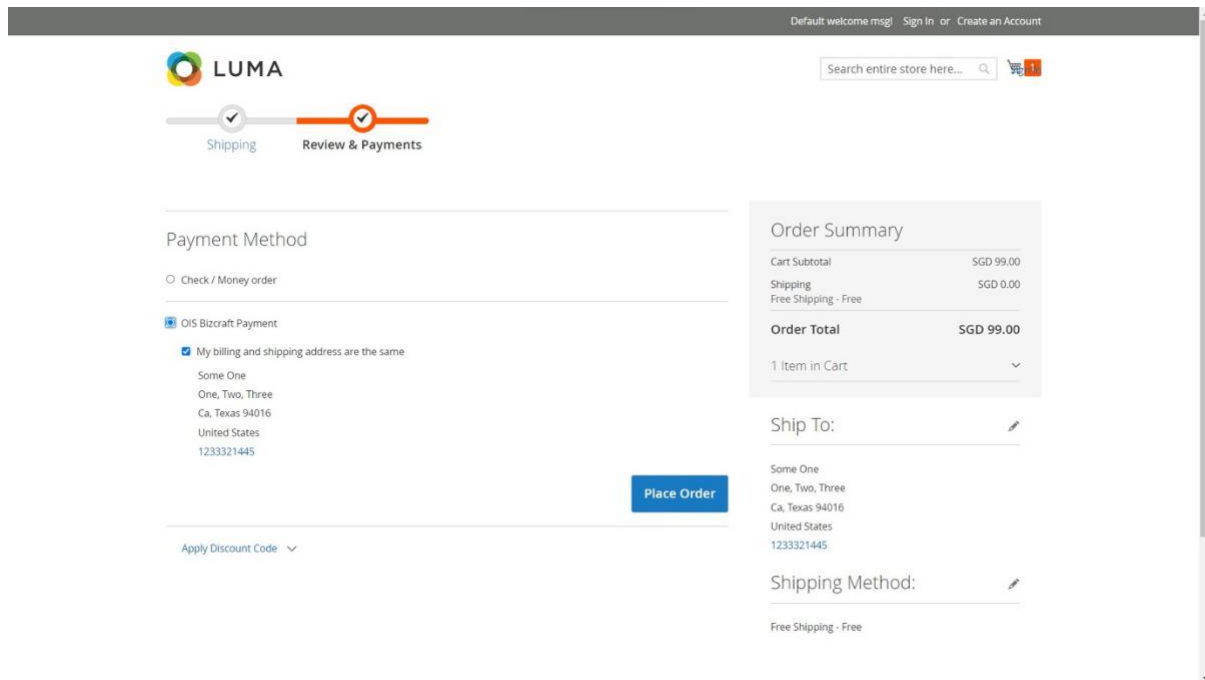

- Enabled: Yes (dropdown), Use system value checkbox (unchecked)
- Title: OIS Bizcraft Payment (text), Use system value checkbox (checked)
- Environment: Sandbox (dropdown)
- Customer Code: 001010 (text)
- Merchant Outlet Id: 02 (text)
- Terminal Id: 001 (text)
- Secret Key: ***** (text)
- Payment Action: Sale (dropdown)
- New Order Status: Processing (dropdown), Use system value checkbox (unchecked)
- Payment from Applicable Countries: All Allowed Countries (dropdown), Use system value checkbox (checked)
- Payment from Specific Countries: A dropdown menu is open, showing a list of countries: Afghanistan, Åland Islands, Albania, Algeria, American Samoa, Andorra, Angola, Anguilla, Antarctica, Antigua & Barbuda.
- Minimum Order Total: (text)
- Maximum Order Total: 1000 (text)

- Enable the payment method
- Select Sandbox or Production based on current phase of integration
- Enter Customer code, Merchant outlet ID, Terminal ID, Secret Key based on what is assigned by OIS Bizcraft.
(If you have not been assigned these, please [contact OIS Bizcraft](#) for the required onboarding and assignment.)
- Payment Action: Select "Sale"
- New Order Status: Select the status you want to set on placing of a new order

- Scheduled Order Reconciliation: The default setting is “No” Select “Yes” if you want the plugin to delete all unconfirmed orders at the end of every day
- Sort Order: Specify sort order to set the position of OIS Bizcraft as the first payment gateway on the checkout page
