

DELETE ORDERS EXTENSION

INSTALLATION GUIDE

After completing Magento® marketplace checkout process, you will get an email containing the link to download the extension or you can simply go to my account section and under marketplace tab click on my purchases and download the extension.

Step 1: Unzip the downloaded file.

Step 2: You will get an app folder which contains all module code files and folder structure. Copy and paste it to your Magento® root directory.

Step 3: Clear the cache. Now extension will be installed and you are ready to use.
