We couldn't find any records.

Activate Windows
Go to Settings to activate Windows.

localhost/magento2_test_1/admin_sv_19/admin/

Step_3:

1. Create 'Revechat' folder inside magento_root_directory/app/code.
2. Create 'Widget' folder inside newly created 'Revechat' folder.
3. Unzip the downloaded plugin contents and copy inside 'Widget' folder.

magento_root_directory/app/code/Revechat/Widget/Unzipped_plugin_contents

Note: If 'code' folder is not present inside 'app' directory, please create it.

Local Disk (C:) > xampp-7.4.15 > htdocs > magento2 > app > code > Revechat > Widget

Name	Date modified	Type
Block	2/25/2021 4:52 PM	File folder
Controller	2/25/2021 4:52 PM	File folder
etc	2/25/2021 4:52 PM	File folder
Model	2/25/2021 4:52 PM	File folder
Setup	2/25/2021 4:52 PM	File folder
view	2/25/2021 4:52 PM	File folder
composer.json	5/13/2020 5:33 PM	JSON File
registration.php	5/13/2020 5:33 PM	PHP File

Step_4: Open cmd and go to magento 2 root directory. Run following command.

[Please check permissions properly. For more info please go through magento 2 documents.]

```
php bin/magento module:enable Revechat_Widget
```

```
php bin/magento setup:upgrade
```

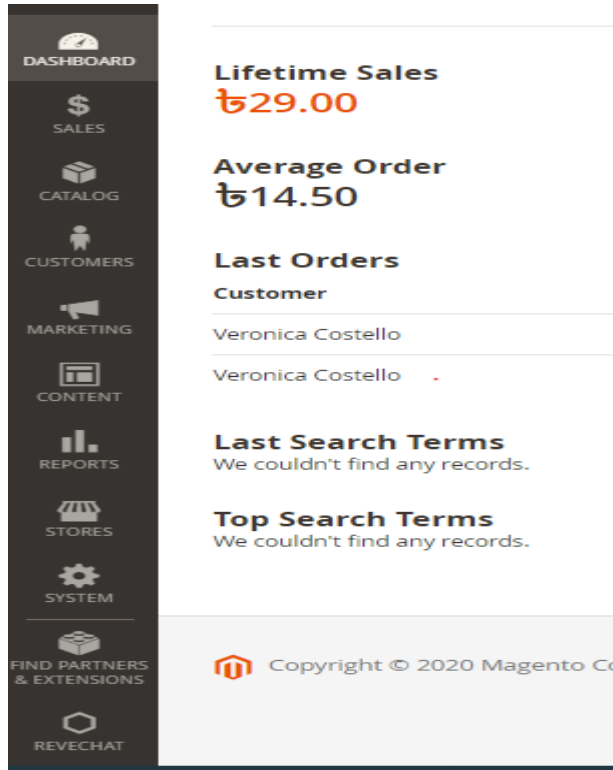

```
php bin/magento setup:static-content:deploy (if command do not run then add -f after it. Then run again.)
```

```
php bin/magento cache:clean
```

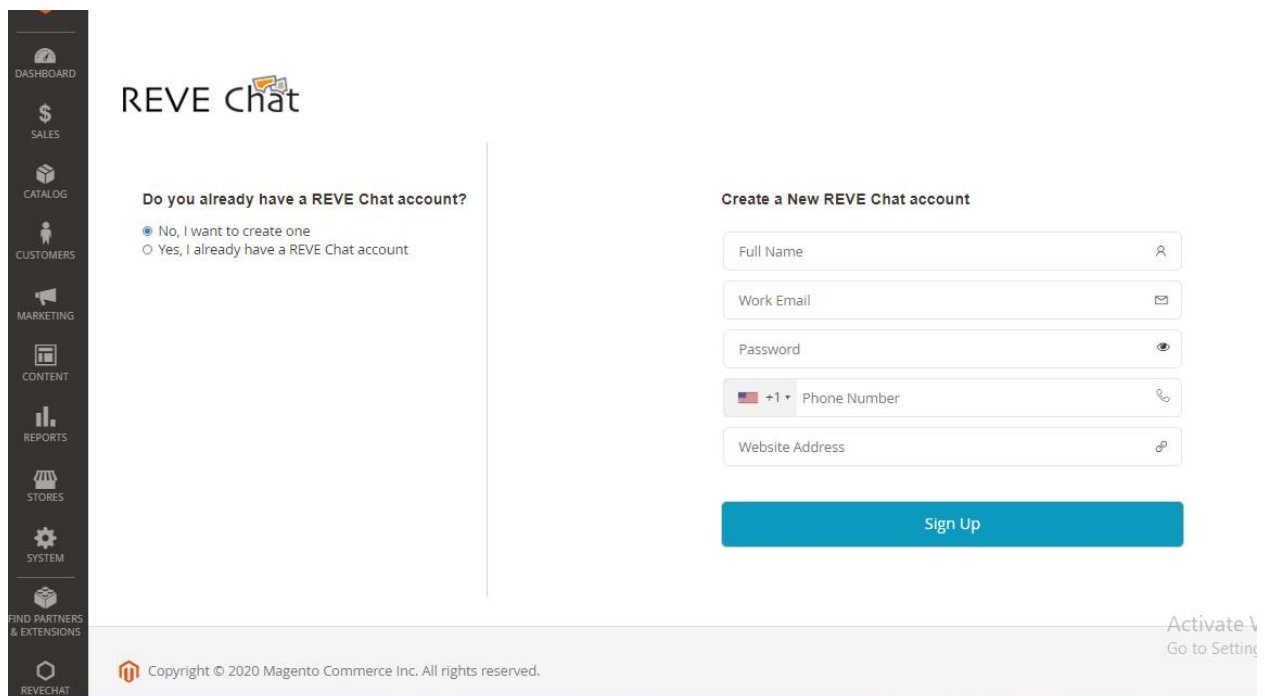

Note: After every time signin/signup or disconnct run following command to enable/disable chat banner in website.

```
php bin/magento cache:clean
```

Step_5: Now move on Magento dashboard & refresh it. In menu section at that moment REVE Chat plug-in should be available

Step_6: Now click REVE Chat icon from menu section. REVE Chat interface found. If you have no account in REVE Chat then click 1st open
