USER GUIDE

Version 1.0.0

Welcome to Buy Now Extension for Magento 2 developed by Sparsh.

We have provided this guide to understand better use of the extension. We have tried to explain the basic functionality required by every Magento store.

This extension allows us to have a "Buy Now" button to directly go to the checkout page to speed up the checkout process and increase conversion rate on your Magento store. It will make the checkout process easy and as quick as possible, especially for customers who want to buy a particular product.

Every below steps helps to set custom shipping options on your site

1. HOW TO CONFIGURE BUY NOW EXTENSION

Go to [Magento 2 Admin] > Stores > Settings > Configuration > Sparsh Extensions > Buy Now

Expand the **General Configuration** and do the following:

In order to enable the Buy Now button, choose **"Show Buy Now Button"** as Yes.

After enabling the extension, you will find the following configuration:

- > **Button Title:** Enter the button title. This title will be displayed on the storefront as label of Buy Now button.

General Configuration

Choose "Yes" to enable this extension. On disabling it, Buy Now button won't be shown in the front.

Show Buy Now Button [store view] Yes

Advanced Configuration

You can set title as per your requirement from here. This title will be displayed on the frontend.

Choose "Yes" if you want to hide "Add to Cart" button on the frontend.

Button Title [store view] Buy Now
This Title will be displayed in store front as Button Label.

Hide Add to Cart Button [store view] Yes

- **Hide Add to Cart Button:** Choose “Yes” if you do not want to show “Add to Cart” button on the frontend.
- **Show on Catalog Page:** Choose “No” if you do not want to show the Buy Now button on Catalog Page.
- **Show on Product detail Page:** Choose “No” if you do not want to show the Buy Now button on Product detail Page.
- **Show on Search Result Page:** Choose “No” if you do not want to show the Buy Now button on Search result Page.
- **Show on Related Products List:** Choose “No” if you do not want to show the Buy Now button on the Related products list Page.
