2. STORE FRONT VIEW

Once enabled, based on the configuration, the social media widget will be shown on the respective pages.

Here is an example of an inline widget shown on the product page under add to cart.

The image shows a product page for the 'Olivia 1/4 Zip Light Jacket'. The product is displayed as a woman wearing a blue zip-up jacket. The price is listed as 'As low as \$77.00' and it is 'IN STOCK' with SKU# WJ12. The page includes size and color selection options, a quantity selector, and an 'Add to Cart' button. Below the 'Add to Cart' button are 'PayPal' and 'PayPal CREDIT' checkout options, and 'ADD TO WISH LIST' and 'ADD TO COMPARE' buttons. A horizontal floating style sharing button block is displayed on the left side of the product detail page, and an inline sharing button block is shown under the 'Add to Cart' button. Annotations with red boxes and arrows point to these sharing blocks.
