Easy Slider installation instructions

Please follow next steps to complete the installation:

1. Unpack extension archive into `<magento_root>` .
2. Run the following commands in terminal:

```
cd <magento_root>
bin/magento module:enable Swissup_Core Swissup_SubscriptionChecker Swissup_EasySlide
bin/magento setup:upgrade
```

That's all. Navigate to your store and check how it looks.

After you install an extension you can go to:
